CITY OF SAN MATEO

Agenda Report

City Hall
330 W. 20th Avenue
San Mateo CA 94403
www.cityofsanmateo.org

Agenda Number: 1 | Section Name: STUDY SESSION | File ID: 20-3566

TO: City Council

FROM: Drew Corbett, City Manager

PREPARED BY: City Manager's Office

MEETING DATE: September 21, 2020

SUBJECT:
City Council Strategic Plan – Mid-Cycle Updates

RECOMMENDATION:
Review mid-cycle status updates of City Council Strategic Plans for fiscal years 2019-20 and 2020-21 and review and approve possible revisions to the Strategic Plan for fiscal year 2020-21.

BACKGROUND:
The City Council goal setting process includes a three-step deliberation resulting in the adoption of a Strategic Plan that allows for multi-year resource planning. The first step of the process to develop the fiscal year 2020-21 plan was a City Council workshop, held on January 25, 2020. At this workshop, the City Council reviewed the status of items on the adopted fiscal year 2019-20 Strategic Plan and developed a proposed Strategic Plan for fiscal year 2020-21. At the March 2nd meeting, City Council reviewed the draft Strategic Plan to ensure accuracy. City Council formally adopted the fiscal year 2020-21 Strategic Plan at the March 16th meeting.

As an update to the process, staff is providing a mid-cycle review to provide updates on the status of the Strategic Plan from both fiscal years 2019-20 and 2020-21 and to discuss unforeseen new initiatives. The mid-cycle review for this year is especially critical due to the impacts on the City and staff resources as a result of to the COVID-19 public health emergency. This report provides a high-level summary of the key changes that have occurred since the March Strategic Plan adoption. Summaries of the current status of each objective are included in the Strategic Plan documents attached to this report. The highlighted lines indicate planned deliverables that are currently delayed or on-hold.

<u>City Council Strategic Plan Fiscal Year 2019-2020</u>
Many of the work-plan items remained on track and were successfully executed. The objectives that had work-plan items delayed due to COVID are listed below:

Delayed Implementation:

- Implement Library Space Master Plan
- Update the General Plan
- Prioritize existing infrastructure plans
- Review Development Impact Fees

<u>City Council Strategic Plan Fiscal Year 2020-2021</u>
As a result of COVID, several the work plan items associated with the City Council adopted objectives for this fiscal year are either modified, delayed, or recommended to be deferred:

Modified implementation:

- Evaluate a street closure in the Downtown on B Street
- Update the General Plan
- Enhance the customer experience Downtown and in other commercial districts

Delayed implementation:

- Implement Library Space Master Plan
- Identify streets and intersections experiencing major congestion due to regional traffic and identify effective measures to mitigate the impact on traffic flow and the adjacent neighborhoods
- Expedite traffic management improvements based on public input received from Neighborhood Traffic Forums, Neighborhood Traffic Management Program, and best practices and enhance transparency of outcomes and frequencies of Council status reports
- Evaluate the feasibility of a Green Fleet by 2030.

Staff recommended deferment of proposed work plan implementation:

- Explore options to discourage commercial vacancies
- Explore the establishment of Property-Based Improvement Districts (PBIDs)
- Evaluate Downtown parking and transit incentive programs for employees

For the objectives that staff recommends deferring, the Council is requested to switch the priority of those from an "A" to a "B".

New Work Plan Items for Fiscal Year 2020-21

Several major work plan items have arisen since March that were not anticipated pre-COVID. Many of these initiatives either represent a pivot in the work plan for an existing Council Objective or are entirely new items requiring extensive staff resources.

- Outdoor dining parklets and street closures
- Safe Streets neighborhood street closures
- Police Real Talk forums and Council Study Sessions
- Parks and Recreation Special COVID programming (Summer Camp and School Year programs)
- Implementation of the Online Permit Center
- Racial Equity Community Public Art Project

Staff recommends adding these items to the Strategic Plan for fiscal year 2020-21, either as revised work plan items for existing initiatives or as new objectives.

BUDGET IMPACT:

There is no budget impact from this agenda item.

ENVIRONMENTAL DETERMINATION:

In accordance with CEQA Guidelines Section 15378(b)(5), revisions to the City's Strategic Plan is exempt from CEQA as an administrative or organizational activity that will not impact the environment. As specific projects are undertaken, CEQA review will be done.

NOTICE PROVIDED

All meeting noticing requirements were met.

Fiscal Year 2019-20 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Work Plan for 2019-20	Status update as of January 2020	Status update as of August 2020
Stewardship of Infrastructure	Reliability	Reconstruct all failed streets in San Mateo by 2024 using Measure S sales tax, Countywide Measure A funding, grants, General Fund and other available funding.	A	Design and complete construction on next series of streets. Re-establish program scope through FY 23/24.	On target to issue Lease Revenue Bonds in March 2020, which will provide funding to support the Smooth Street Program. Continuing work on annual and overall reconstruction progress.	Bonds issued in February 2020. Obtained all permits and awarded construction contract during May 2020.
		Replace all remaining high voltage circuits to improve safety and reliability of the street light system.	A	Complete construction of Baywood HV circuit improvements. Begin design of next phase of the project.	Progress continues on overall program. Baywood lighting improvements are under review to address residents interests.	Evaluating alternative pedestrian-scale light fixtures and starting design process for next phases of work.
	Resilience	Remove North Shoreview from FEMA Flood Assessment.	A	Begin project construction.	On target to issue Lease Revenue Bonds in March 2020 to provide funding to support flood control improvements in North Shoreview. FEMA approval complete; BCDC permit pending; project has gone out to bid.	Bonds issued in February 2020. Obtained all permits and awarded construction contract during May 2020.
	Environmental Responsibility	Fund and deliver the Clean Water Program.	A	Complete projects and tasks as outlined in the program charter. Finalize design and CEQA for Underground Flow Equalization System (UFES). Start construction of WWTP Upgrade & Expansion.	UFES EIR adopted and certified. Construction of WWTP underway. Second WIFIA loan invitation to apply was approved.	Negotiating terms of the WIFIA WWTP Loan. No significant schedule impacts associated with COVID-19. Awarded UFES in June 2020.
		Meet the 100% trash reduction mandate.	A	Continue with implementation of capital program to meet regulatory requirements.	Staff is evaluating the results of the Trash Capture Plan Reassessment to determine which projects and methods of trash reduction to implement.	No further updates.
		Develop an anti-littering and trash outreach campaign.	A	Public Works will develop outreach and messaging strategy for an enhanced outreach campaign.	Staff is reviewing a consultant proposal to develop an enhanced outreach campaign to businesses.	Consultant has been selected and work is underway.
		Analyze potential to produce potable drinking water from the Clean Water Program	B	Public Works will continue to explore partnership and funding opportunities for potable water reuse.	The exploratory study with SFPUC, Foster City, Redwood City, SVCW and Cal Water continues to evaluate options for a collaborative effort to achieve sustainable water reuse.	Finalized the scope of work for Phase 3 of this effort.

Highlighted cells: priorities that are delayed or put on hold

Fiscal Year 2019-20 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Work Plan for 2019-20	Status update as of January 2020	Status update as of August 2020
Quality of Life	Neighborhoods	Expedite traffic management improvements based on public input received from Neighborhood Traffic Forums, Neighborhood Traffic Management Program, and best practices. Enhance transparency of outcomes and frequency of Council status reports.	A	Continue to prioritize traffic improvements from TAP reports and resident requests and provide updates to SIC and City Council. Police will continue to dedicate resources with a focus on enforcement, education and awareness.	Police is partnering with Public Works to dedicate resources to enforcement, education and awareness. New TAP completed for Bay Meadows neighborhood with immediate improvements and TAP for Sugarloaf neighborhood is being prepared.	City Council study session was held on 8/17/2020 to discuss strategy going forward.
		Minimize impacts to residents from train horn noise at City at-grade crossings.	A	Continue to coordinate with CPUC on crossing safety improvements and evaluate other potential options to lower San Mateo's risk index towards qualifying for a quiet zone.	CPUC Section 130 safety funding in progress for Quad Gates at 4th and 5th Ave crossings. Staff initiated a traffic impact study for potential closure of either or both E. Bellevue and Villa Terrace crossings.	No further updates.
		Minimize parking impacts throughout the City.	A	Implement City Council approved changes in conjunction with overall parking enforcement program. Police will continue to partner with Public Works on effective delivery of parking enforcement Citywide.	Contract for parking enforcement services will begin in February, providing increased enforcement and technological enhancements. Staff is doing aggressive enforcement at hot spots and is hiring dedicated staff to address abandoned vehicles. Updated RPPP policy approved by City Council.	Parking enforcement was temporarily suspended due to COVID-19, but has resumed in July 2020. Will evaluate progress of enhanced enforcement at October 2020 study session.
		Identify streets and intersection experiencing major congestion due to regional traffic and identify effective measures to mitigate the impact on traffic flow and the adjacent neighborhoods.	A	Continue to implement/construct congestion relief mitigations including capital projects and Police enforcement at traffic hot spots.	Police staff continue to provided targeted enforcement at hot spots. Hillsdale at 101 improvements is moving forward with C/CAG and the TA. Consultant hired to analyze the 19th Avenue/Fashion Island corridor for potential improvements.	No further updates.
	Community Services	Implement Library Space Master Plan.	A	Finalize funding and design plans for the Branch enhancements. Execute service agreement with architectural firm. Begin work on the project.	We have secured funding and finalized the design plans for the the Branch enhancements. The project is projected to begin in Q4 FY 19/20.	This project was paused due to adjustments needed to sustain library safety and reintroduce limited services during COVID. If permissable, plan to complete Q4 FY20/21.
	Public Health and Safety	Enhance emergency response times during peak traffic conditions.	A	Police will evaluate other possible substation locations to enhance response times. Fire will continue to explore funding opportunities and partnerships with allied agencies such as SamTrans to improve our mobility and pre-emption traffic signal technology.	Police substation/rest quarters under construction at 1812 S. Norfolk Street and will be complete by March 2020.	Substation construction was completed March 2020. However, due to health restrictions, the rest quarters are not being used.
		Implement the Safe and Secure Neighborhoods Initiative.	A	Identify and implement innovative safety and security practices in our community including our community engagement and safety partnerships as well as technology initiatives to enhance neighborhood safety and security.	Police have been conducting public outreach to encourage NEST camera registry and have installed ALPRs on 4 vehicles and two mobile message trailers.	No further updates.
		Explore banning smoking in commercial areas.	B	To be completed in later fiscal year.	No progress to date.	To be completed in 2020/21

Fiscal Year 2019-20 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Work Plan for 2019-20	Status update as of January 2020	Status update as of August 2020
Framing the Future	Social Leadership	Consider the adoption of wage theft protections.	C	Continue policy analysis work and tracking of efforts in other jurisdictions.	Staff continues to monitor efforts in other jurisdictions.	No further updates.
		Pursue development of additional housing including affordable and workforce housing.	A	Collaborate on marketing and outreach for occupancy of the Bay Meadows project. Negotiate Disposition and Development Agreement and continue entitlements process for Downtown RDA sites. Study inclusionary policy revisions for Council consideration. Amend Accessory Dwelling Unit and Junior Accessory Dwelling Unit Code requirements. Continue to look for opportunities to increase supply of affordable and workforce housing.	Construction for Bay Meadows project is underway and a marketing plan will launch Spring 2020. Disposition and Development Agreement for Downtown sites is being negotiated for adoption esimated in July 2020. ADU/JADU ordinance recommendations underway with implementation of new State laws effective 1/1/20.	At of the end of Q4, the Bay Meadows marketing plan was finalized and construction was on schedule for completion at the end of summer 2020. The Downtown Sites project continues on-track. ADU/JADU Code updates have been slow moving due to staffing constraints not associated with COVID.
		Review the findings of the 2016 Housing Task Force and revisit any unresolved recommendations related to rental protections and affordable housing.	A	Continue work on tenant programs identified by Council including 1) revisions to inclusionary requirements, 2) exploring Section 8 Participation/Voluntary Landlord Incentives, and 3) minimum lease terms and increasing noticing requirements.	1) Adopted and implemented a tenant relocation ordinance. 2) Held Council Study Session and developer round table on revisions to inclusionary requirements to increase the Below Market Rate percentages. Will return to Council with recommendation in February 2020.	New BMR affordability requirements to include a minimum of 15% affordability and annual BMR pricing for rentals and ownership units were adopted.
	Strategic Planning	Implement the Central Park Master Plan.	A	Release RFP, select landscape architect and begin first phase of community meetings for playground design.	RRM selected as landscape architect. Preferred design for Fallen Heroes Memorial selected by Committee. Public workshop and on-line survey for playground design elements completed.	Playground design altenatives in progress.
		Update the General Plan.	A	Continue public outreach and General Plan subcommittee meetings, develop draft preferred General Plan Scenario, and establish draft General Plan Goals and Policies.	Held 26 community outreach events for the 2040 General Plan. The City Council accepted a vision statement and established 10 study areas to explore various land use alternatives. Continue general plan community outreach and identify alternative scenarios for future growth.	Consistent with City Council direction, in response to COVID, staff/consultant are currently evaluating existing GP2030 goals/polices, and community outreach on study areas will continue following the election.
		Prioritize existing infrastructure plans	A	Develop a comprehensive analysis of all pending infrastructure plans to allow for prioritization of improvements within funding constraints.	Staff is compiling the proposed improvements from all Master Plans into a singular database. Will bring it to City Council for review and prioritization in the Spring.	Due to COVID, this item got delayed to Fall 2020.
		Review Development Impact Fees	A	Analyze and update the City's current Development Impact Fees.	Staff is in the process of selecting consultant to complete study. Work is proposed to be completed by August 2020.	Matrix Consulting group was selected to conduct the Fee Study. Work on the Study was slightly delayed at the start of the SIP, but is now well underway and expected for completion in November 2020.

Fiscal Year 2019-20 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Work Plan for 2019-20	Status update as of January 2020	Status update as of August 2020
Economic Vitality	Commercial/ Retail Districts	Update the Downtown Area Plan.	A	The preferred scenario for the Downtown Plan will be developed in conjunction with the General Plan Update effort and included in the 2019 work program.	The Downtown area has been added as a Study Area in the General Plan Update. Alternatives and specific goals and policies for the downtown area will be folded into the General Plan for a comprehensive 2040 plan for the City.	No further updates.
		Create additional parking supply for Downtown San Mateo.	A	Obtain entitlements for the parking garage on the RDA sites.	Entitlements anticipated July 2020.	Entitlements awarded August 2020
		Enhance the customer experience Downtown and in other commercial districts.	A	Continue focus on Downtown cleanliness. Evaluate additional beautification options for the Downtown. Pilot new events and cultural activities in Downtown.	New expanded cleaning contract started on July 1st and staff resources are devoted to enhanced oversight. City hosted September nights events and will continue them next fiscal year.	September Nights on B cancelled for 2020. Instead piloting outdoor dining in parklets and full street closures.
		Explore the establishment of Property-Based Improvement Districts (PBIDs).	A	Work with the DSMA to initiate conversations with Downtown property owners regarding interest in PBID formation.	Staff to complete an analysis of property ownership in the Downtown in early 2020 and then initiate conversations with major property owners to gauge interest.	Property ownership analysis completed. Work to continue in 2020/21.
	Financial Sustainability	Eliminate the City's unfunded pension and Other Public Employee Benefits (OPEB) liabilities by no later than 2050.	A	Pre-pay annual lump sum for 2019-20 unfunded liability contribution in July 2019; incoporate additional discretionary pension payment into 2019-20 budget. Make required OPEB contribution.	Unfunded Accrued Liability for 2019-20 prepaid in July 2019. Will present mid-year budget to Council on 1/21 and get direction whether to move forward with Additional Discretionary Payment (ADP). Utilize CalPERS' new Pension Outlook tool to forecast scenarios.	Paying the annual required contribution to CalPERS without making an additional discretionary payment will still keep the City on track to meeting this objective.
		Develop portfolio options for sustained enhanced revenues.	A	Pending Council direction from 2019 follow-up study session, staff will begin to develop implementation plans as applicable.	On target to begin revenue ballot measure polling in March 2020, present results to Council in April 2020 during the budget study session.	Will present Phase II of the Fiscal Sustainability Plan in October 2020. The two primary elements that will determine the magnitude of subsequent actions are 1) 2019-20 General Fund performance; and 2) CalPERS 2019-20 investment losses.

Fiscal Year 2020-21 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Proposed Work Plan and Expected Deliverables for 2020-21	Update for August 2020
Stewardship of Infrastructure	Reliability	Reconstruct all failed streets in San Mateo by 2024	A	Complete construction of Smooth Streets Phase I contract (1.9 miles) and complete design of Phase II (2.3 miles)	On track, no changes.
		Replace all remaining high voltage circuits to improve safety and reliability of the street light system	A	Complete design and begin construction for high voltage conversion of 27th, 28th, and Woodland circuits.	On track, no changes.
	Resilience	Evaluate options and funding sources to dredge the Marina	A	Present findings and recommendations from ongoing Storm System Funding Analysis. Educate the community and City Council about current challenges the City is facing regarding management of the Marina Lagoon.	On track, no changes.
		Remove North Shoreview from FEMA Flood Assessment	A	Finalize BCDC Permit, procure construction management team and award construction contract to initiate construction of flood improvement.	On track, no changes.
	Environmental Responsibility	Fund and deliver the Clean Water Program	A	Coordinate with the community on Phase 2 (GMP2) of the WWTP Expansion Project (installation of piles) and award Phase 3 (GMP3); begin construction of UFES; finalize potential funding through the State Revolving Fund.	On track, no changes.
		Meet the 100% trash reduction mandate	A	Continue implementation of capital program to meet regulatory requirements. Evaluate results of the Trash Capture Plan Reassessment project.	On track, no changes.
		Develop an anti-littering trash and cigarette butt outreach campaign	A	Implement enhanced outreach and messaging strategy targeting business districts, continue implementation of the Team Up to Clean Up and Adopt-a-drain programs.	On track, no changes.
		Evaluate the feasibility of a Green Fleet by 2030	B	Continue alternative fuel and EV vehicle feasibility research. Provide recommendations for "Green" vehicles to users for new or replacement vehicles. Present results to City Council at study session.	May be delayed depending on replacement of key staff due to retirement.
		Analyze potential to produce potable drinking water from the Clean Water Program	B	Continue to study options for advanced wastewater treatment and reservoir/direct water augmentation with the SFPUC, SVCW/Redwood City, BAWSCA and CalWater.	On track, no changes.

Legend:

Highlighted cells: priorities that were modified, delayed, or recommended for deferment

Fiscal Year 2020-21 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Proposed Work Plan and Expected Deliverables for 2020-21	Update for August 2020
Quality of Life	Neighborhoods	Expedite traffic management improvements based on public input received from Neighborhood Traffic Forums, Neighborhood Traffic Management Program, and best practices and enhance transparency of outcomes and frequencies of Council status reports.	A	Police will continue to dedicate resources with a focus on enforcement, education and awareness. The E. Poplar/ Humboldt Signal Modification project and the Hillsdale/Saratoga RTOL project will be completed. Staff will continue the redevelopment of the NTMP guidelines.	The PW traffic engineering section has a vacant engineering position that has recently been approved to be filled. Until that happens, responses, studies and improvements may be delayed.
		Minimize impacts to residents from train horn noise at City at-grade crossings	A	Coordinate funding agreements and improvements with Caltrans, JPB/Caltrain, and CPUC for 4th & 5th Avenue Grade Crossing Improvements (Quadrant Gates) to be funded by "Section 130" Rail-Highway Grade Crossing Program. Complete traffic study for potential crossing closures.	On track, no changes.
		Minimize parking impacts throughout the City.	A	Complete implementation of new service delivery model for contracted parking enforcement services and integrate FTEs dedicated to abandoned vehicle abatement. Monitor impact and effectiveness. Public Works and Police to partner on technology issues to ensure effective delivery of parking enforcement Citywide. Complete Downtown Parking Technology project. Complete Downtown Parking Demand Study.	On track, no changes.
		Identify streets and intersection experiencing major congestion due to regional traffic and identify effective measures to mitigate the impact on traffic flow and the adjacent neighborhoods.	A	Police will continue to provide enforcement at traffic hot spots. The 19th Avenue Fashion Island Blvd Study and the Traffic Signal Master Plan will be completed. Staff will continue to work with the San Mateo Country Transportation Agency on the US101 / 92SR Area and Direct Connector Project.	The PW traffic engineering section has a vacant engineering position that has recently been approved to be filled. Until that happens, responses, studies and improvements may be delayed.
	Community Services	Participate in the Age Friendly Cities Initiative	A	Complete community outreach process and submit formal application to World Health Organization for designation as an Age Friendly City. Identify resources needed for implementation.	Community outreach completed and Task Force is finalizing WHO application. Should be submitted in late September.
		Implement Library Space Master Plan	A	Complete design enhancements of Marina and Hillsdale branches. Add new shelving and combine services desk to improve access and overall customer services.	Implementation may be delayed to due COVID-19.
		Explore options to increase the supply of childcare options in the City.	A	Continue to work with regional partners to share the City's Child Care Facilities Fund Loan opportunities. Implement the new process developed for the ongoing loan program for a "pre-application" onsite Child Care Facilities Visit by a multi-department City team to assess viability of specific properties and code requirements for child care.	Work on this item has been progressing slowly due to staff constraints and refocusing work due to COVID. Some Code analysis has been completed and a draft outreach document has been created. There has not been a need for any on-site pre-application meetings.

Fiscal Year 2020-21 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Proposed Work Plan and Expected Deliverables for 2020-21	Update for August 2020
Quality of Life	Public Health and Safety	Enhance emergency response times during peak traffic conditions.	A	Leverage the new substation/rest quarters at 1812 S. Norfolk to strategically deploy public safety personnel in an effort to reduce emergency service response times.	On track, no changes.
		Consider adopting a firearm storage ordinance	A	Present an analysis of what the county and other cities in the area have adopted by the end of FY 19/20. FY 20/21 workplan deliverables dependent on Council direction from initial analysis.	Analysis was presented to the City Council in early FY 20-21. The ordinance will be adopted in September 2020.
		Consider adopting an ordinance regulating vaping and e-cigarettes	A	Present an analysis of what the county and other cities in the area have adopted by the end of FY 19/20. FY 20/21 workplan deliverables dependent on Council direction from initial analysis.	The analysis was presented to the City Council in September 2020 and an ordinance is being developed.
		Implement the Safe and Secure Neighborhoods Initiative	A	Sustain innovative safety and security practices including community engagement and safety partnerships. Continue to evaluate technology options to enhance neighborhood safety and security.	On track, no changes.
		Explore banning smoking in commercial areas	A	Work with Council to define commercial areas to be addressed and parameters of proposed ban, complete business and stakeholder outreach, then bring proposed ordinance to Council for consideration.	Work on this item to start later this fiscal year.

Fiscal Year 2020-21 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Proposed Work Plan and Expected Deliverables for 2020-21	Update for August 2020
Framing the Future	Social Leadership	Consider the adoption of wage theft protections	C	Continue to track wage theft regulations in other jurisdictions.	On track, no changes.
		Explore adoption of San Mateo County's Disposable Food Service Ware regulations	A	Outreach to local business community on proposed regulations and provide feedback to Council on potential considerations. Track outreach and implementation efforts in other communities.	Initial outreach to restaurants underway.
		Evaluate potential mandates regarding composting in multi-family dwellings	B	Continue outreach to multi-family properties. Track regulations in other communities related to composting in multi-family dwellings as well as SBWMA strategies.	On track, no changes.
		Implement the Climate Action Plan and work to reduce greenhouse gas emissions	A	Commence implementation of new measures from the 2020 CAP including multi-family reach codes, commercial energy efficiency benchmarking, and expansion of EV infrastructure.	On track, no changes.
		Pursue development of additional housing including affordable and workforce housing	A	Complete entitlements for the 100% affordable housing project at the Downtown Opportunity sites. Marketing strategy for Bay Meadows affordable housing. Develop funding strategy for use of City housing funds. Update ADU/JADU Ordinance.	On track, no changes.
	Strategic Planning	Implement the Central Park Master Plan	A	Complete selection of preferred playground design, complete construction drawings and have package ready for bid.	Two playground design options should be ready for public comment by late September.
		Update the General Plan	A	Continue public outreach and meetings, develop draft preferred scenario, and establish draft General Plan Goals and Policies	The General Plan effort is on track. The shedule and outreach plan have been adjusted to account COVID, and limit the potential for completing unneccessary work prior to the election when future land use parameters will be clarified.
		Develop a funding strategy for existing infrastructure plans	A	Evaluate priority projects for each potential funding source and pursue options for additional funding.	Initial Master Plan consolidation review postponed to Fall 2020.
		Plan for the downtown grade separations and long-term train corridor improvements	B	Begin discussions with TA regarding potential funding and study of existing right-of-way and potential project alternatives.	On track, no changes.
		Evaluate our ability to do a standardized and routine statistically-valid community survey that includes workforce and residents	B	Evaluate the results of the 2020 community survey and identify future survey needs.	Community survey results were presented to Council in May 2020.
		Review Development Impact Fees	A	Complete fee study analysis, evaluate recommendations and implement fee changes.	This project was slighlty delayed due to COVID related operational adjustments and temporarily refocused work priorities. It is now underway and should be completed in/around November 2020.

Fiscal Year 2020-21 City Council Objectives

Council Focus Area	Strategic Initiatives	Council Objectives	Priority	Proposed Work Plan and Expected Deliverables for 2020-21	Update for August 2020
Economic Vitality	Commercial/Retail Districts	Create additional parking supply for Downtown San Mateo	A	Complete entitlements for the public parking garage at the Downtown Opportunity sites.	Entitlements approved August 17, 2020. Construction design commenced.
		Enhance the customer experience Downtown and in other commercial districts	A	Implement proposed in-house cleaning services in Downtown and other commercial districts.	This effort is on hold due to budget constraints from COVID. Focus instead has been on outdoor dining options throughout the City.
		Evaluate a street closure in the Downtown on B Street	A	Outreach to Downtown businesses to analyze feasibility of longer term street closures and present results to Council study session. Work with Special Events Taskforce to evaluate additional event opportunities in the Downtown.	Downtown Street Closures being piloted as part of Outdoor Dining COVID program. Special Events Taskforce put on pause due to COVID-19.
		Evaluate Downtown parking and transit incentive programs for employees	A	Identify opportunities to mitigate parking demand and increase supply in the Downtown including, but not limited to, transit incentives, public-private partnerships to expand supply, and valet parking.	Effort put on pause due to reduced parking demand related to COVID-19 and increased teleworking.
		Explore options to discourage commercial vacancies	A	Evaluate regulations adopted by other cities, outreach to stakeholders, and propose policy options for Council consideration.	Recommend deferring this item due to impact of COVID-19 on local businesses and dramatic and sudden increase in vacancies.
		Explore the establishment of Property-Based Improvement Districts (PBIDs)	A	Outreach to major property owners in the Downtown to gauge interest and potential assessment options.	Recommend deferring this item due to economic impact of COVID-19 on local businesses and property owners.
	Financial Sustainability	Eliminate the City's unfunded pension and Other Public Employee Benefits (OPEB) liabilities by no later than 2050	A	Continue the City's practice of pre-paying the Unfunded Accrued Liability payment and paying down the principal loan amount via an Additional Discretionary Payment (ADP).	Paying the annual required contribution to CalPERS without making an additional discretionary payment will still keep the City on track to meeting this objective.
		Develop portfolio options for sustained enhanced revenues	A	Depending upon the results of the March 2020 polling and subsequent November 2020 election, will evaluate prospective revenue enhancement options. Develop a mechanism to identify potential private funding sources/public-private partnerships as part of capital planning process.	TOT increase will be on November ballot.

STRATEGIC PLAN

MID-CYCLE REVIEW

Presented by Denise J. Garcia

CITY COUNCIL GOAL SETTING PROCESS

A BRIEF TIMELINE

JANUARY 25
Blue Sky Workshop

MARCH 2
Review draft FY 2020-21 Strategic Plan

MARCH 16
Adoption of FY 2020-21 Strategic Plan

TODAY
Mid-cycle review from both FY 2019-20 and FY 2020-21

REVIEW OF FISCAL YEAR 2019-2020 STRATEGIC PLAN

DELAYED IMPLEMENTATION:

- Implement Library Space Master Plan
- Update the General Plan
- Prioritize existing infrastructure plans
- Review Development Impact Fees

REVIEW OF FISCAL YEAR 2020-21 STRATEGIC PLAN

- Modified implementation
- Delayed implementation
- Staff recommended deferment of proposed work plan implementation

Modified Implementation

EVALUATE A STREET CLOSURE IN THE DOWNTOWN ON B STREET

Downtown Street Closures being piloted as part of Outdoor Dining program.

Special Events Taskforce put on hold.

UPDATE THE GENERAL PLAN

The schedule and outreach plan have been adjusted to account the land-use related ballot measures.

ENHANCE THE CUSTOMER EXPERIENCE DOWNTOWN AND IN OTHER COMMERCIAL DISTRICTS

Focus has shifted to outdoor dining options throughout the City.

Delayed Implementation

IMPLEMENT LIBRARY SPACE MASTER PLAN	IDENTIFY AREAS WITH MAJOR CONGESTION AND MITIGATE THE IMPACT ON TRAFFIC FLOW	EXPEDITE TRAFFIC MANAGEMENT IMPROVEMENTS	EVALUATE THE FEASIBILITY OF A GREEN FLEET BY 2030
Construction delays due to COVID-19	Delayed due to available staff resources	Delayed due to available staff resources	Delayed due to available staff resources

Recommended Deferment of Proposed Work Plan Implementation

EXPLORE OPTIONS TO DISCOURAGE COMMERCIAL VACANCIES

COVID-19 resulting in increasing vacancies and changing commercial landscape.

EXPLORE THE ESTABLISHMENT OF PBIDS

Given changed economic conditions, not timely to consider.

EVALUATE DOWNTOWN PARKING AND TRANSIT INCENTIVE PROGRAMS FOR EMPLOYEES

Parking demand decreased due to teleworking as a result of COVID.

Council is requested to switch the priority of those from an "A" to a "B".

NEW WORK PLAN ITEMS FOR FISCAL YEAR 2020-21

1. Outdoor dining parklets and street closures
2. Safe Streets neighborhood street closures
3. Police Real Talk forums and Council Study Sessions
4. Parks and Recreation Special COVID programming
5. Implementation of the Online Permit Center
6. Racial Equity Community Public Art Project

Recommendation

City Council direct staff to bring back a revised 2020-21 Strategic Plan for adoption
