RE: PUBLIC RECORDS REQUEST of March 08, 2026, **Reference # W012297-030826.**

Dear Brian C,

The City received the below records request from you on March 08, 2026.

Pursuant to the California Public Records Act (Government Code § 7920 et seq.), I am requesting the following records related to Section 5.3 of the Master Services Agreement between the City of San Mateo and Flock Group Inc., executed August 25, 2023.

Section 5.3 authorizes Flock Safety to "access, use, preserve and/or disclose the Footage to law enforcement authorities, government officials, and/or third parties" based on Flock's "good faith belief" that such action is "reasonably necessary." This provision survives contract termination under Section 7.3.

Records requested:

1. All notifications from Flock Safety to SMPD regarding any access, use, preservation, or disclosure of SMPD Footage (as defined in MSA § 1.10), including any ALPR information (as defined in Civil Code § 1798.90.5), to law enforcement authorities, government officials, or third parties pursuant to Section 5.3.
2. All SMPD records documenting, reviewing, or tracking any disclosures by Flock Safety under Section 5.3.
3. Any communications between SMPD and Flock Safety regarding the scope, applicability, or exercise of Section 5.3 — including any review conducted following Attorney General Bulletin 2023-DLE-06 (October 27, 2023), which directed law enforcement agencies to review vendor agreements for provisions allowing access beyond California public agencies.
4. Any analysis, memorandum, legal review, or correspondence assessing whether Section 5.3 — which applies to "Footage" as defined in the contract, including but not limited to ALPR information — is consistent with Civil Code § 1798.90.55(b), which prohibits sharing ALPR information except to California public agencies.
5. Any request from SMPD to Flock Safety for a log, report, or accounting of disclosures made under Section 5.3, and any response received. Also, any disclosure log, report, or accounting provided by Flock Safety to SMPD, whether pursuant to a request or proactively.
6. Any policy, procedure, or system documentation describing how SMPD monitors or tracks vendor-initiated disclosures under Section 5.3.

I request responsive records in electronic format where available. If no records are located for any individual item, please respond to that item separately and continue processing the remaining items. Please contact me if clarification would help narrow or expedite this request.

We are reaching out to inform you that a legal review of your request was completed by our City Attorney's office, in accordance with Government Code § 7922.525(b). During this review, it was determined that a portion of the records you have requested are exempt from disclosure as determined by the following Public Records Act exemptions:

Your request for documents related to legal review has been denied. California Government Code section7927.705 exempts records protected by privileges under the Evidence Code.This includes attorney-client privileged communications pursuant to CaliforniaEvidence Code section 954.

The remainder of your request requires a lengthy email query and will be released on a rolling basis; we will advise when the response is considered complete.

If you have any questions, please reply to this message.

Sincerely,
