Kelly,
Thank you for the clarification. A follow-up question: does the Flock platform maintain a log of when agencies are added to or removed from the sharing list? If so, those records relate to the conduct of public business and would be responsive to my request regardless of where they are stored (Gov. Code § 7920.530; City of San Jose v. Superior Court (2017) 2 Cal.5th 608).

RE: PUBLIC RECORDS REQUEST of March 12, 2026, **Reference # W012328-031226**

Dear Brian C,

The City received the following records request on March 12, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920 et seq.), I request the following:

1) All internal SMPD communications — including emails, text messages, and instant messages — containing "University of the Pacific" or "UOP" from January 1, 2026 through the date of this request. This includes communications between SMPD personnel, and communications between SMPD and Flock Safety, regarding University of the Pacific's presence on or removal from SMPD's Flock sharing/access list.

2) Records documenting the removal of any agency from SMPD's Flock sharing/access list between February 18, 2026 and the date of this request — including the agency name, date of removal, reason for removal, who authorized the removal, and whether the removal was initiated by SMPD, the removed agency, or Flock Safety.

If no records are located for any individual item, please respond to that item separately and continue processing the remaining items.

A good faith and diligent search yielded no records responsive to your request. Removals from Flock are conducted within the platform at the discretion of the Lieutenant assigned to the ALPR Committee. There are no corresponding records.

The City has completed its response to your request and we now consider this record request W012328-031226 closed. If you have any questions, or would like to submit a new request for records, please contact the City.

If you have any questions, please contact me using the below contact information.

Sincerely,

Kelly O'Keefe
