RE: PUBLIC RECORDS REQUEST of March 20, 2026, **Reference # W012376-032026**

Dear Brian C,

The City received the following records request from you on March 20, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920 et seq.), I request the following:

1) All memoranda of understanding, data sharing agreements, or other written agreements between SMPD and the Northern California Regional Intelligence Center (NCRIC) governing the sharing of ALPR data, from January 2020 through the present. SMPD shares data with NCRIC through at least two channels: the NCRIC Astrometrics platform referenced in SOP 205, and through the Flock network where NCRIC appears on SMPD's transparency portal. I request agreements covering both.

2) Any analysis, memorandum, or correspondence assessing whether NCRIC qualifies as a "public agency" as defined in Civil Code § 1798.90.5(f). Section 1798.90.55(b) permits ALPR data sharing only with entities meeting this definition.

3) The standard NCRIC MOU template contains language granting NCRIC authority to further share contributed data with other public safety entities, and to execute additional sharing agreements without further review or approval by the member agency. If SMPD's agreement contains similar terms, I request any records of SMPD exercising its right to explicitly deny or restrict NCRIC's re-sharing of SMPD's ALPR data with specific entities or categories of entities. I note that NCRIC's own Flock transparency portal lists entities that may not qualify as public agencies under § 1798.90.5(f). If no responsive records exist, please clarify whether (a) SMPD's agreement does not contain such re-sharing terms, or (b) SMPD has not exercised its right to deny or restrict re-sharing.

If no records are located for any individual item, please respond to that item separately and continue processing the remaining items.
Responses for items 1) and 3) were previously provided to you. The responsive document for 2) is attached. We have made a good faith and diligent effort to complete your request, in which responsive records have been collected. These records are available on the San Mateo Records Request Portal. Select the link below to view.

The City has completed its response to your request and now considers this record request **W012376-032026** closed.

If no records are located for any individual item, please respond to that item separately and continue processing the remaining items.

Due to the large number of records which are associated with this request, the City will send you records on a rolling production basis. An initial batch of records has been released and made available on the San Mateo Records Request Portal. You will be receiving more batches of responsive records in the future. Select the link below to view what is currently available.

We will further respond to your request with updates no later than 4/13/26.

If you have any questions, please contact me using the below contact information.
