Recent Success Story

On December 28th, 2025 a 31-year-old victim was shot near 656 E Street in Chula Vista. Officers administered life-saving measures until paramedics transported the victim to a local hospital. Unfortunately, the victim succumbed to his injuries and passed away on January 1st, 2026.
With the help of witnesses and available live video footage in the area, investigators developed suspect information and a potential license plate. Using the Flock Safety automated license plate reader system, investigators located the vehicle and confirmed the suspect's identity. An arrest warrant has been issued but it is believed the suspect has fled to Mexico.

Recent Success Story

On January 11, 2026 Chula Vista PD officers responded to a hit-and-run collision near the intersection of North Greensview Dr. and Park Meadows Rd., where an elderly female pedestrian was found critically injured in the roadway. The driver fled the scene before authorities arrived, and the victim later died at a hospital from her injuries. With very limited suspect information, investigators canvassed the area, interviewed residents, and searched for video evidence. With the limited vehicle description the detectives developed, they turned to Flock where they successfully found the vehicle and license plate. On January 13, 2026, the technology led them to a residence in the city, where they identified and arrested a female suspect believed to be the driver. The suspect is being charged with felony hit-and-run and misdemeanor vehicular manslaughter.
