Hi Brian,

For information, The cameras that state "in planning" were rejected locations and should not be listed in the portal. Flock is working with their team to have them removed.

Thanks,
Kelly

A list of all Flock Safety devices currently or previously associated with the San Mateo Police Department, including for each device: location (address or intersection for fixed devices; designation as mobile/trailer-mounted if applicable), device type or model/product designation (e.g., Falcon, Condor, or other), whether the device has ALPR capability, ownership status (SMPD-owned, community camera, or other — please specify), and installation or activation date.

2. A list of any Flock devices that have been decommissioned, removed, relocated, or taken offline since January 1, 2023, including dates and any records documenting the reason.

3. All invoices and payment records between Flock Safety and the City of San Mateo from January 1, 2023 to present, including any installation fees, service charges, or other payments beyond the master service agreement.
