Safe and Secure
Neighborhoods –
Identify Opportunities
to Enhance Technology
to Increase
Neighborhood Safety

STATUS UPDATE

- ALPRs Deployed at Strategic Fixed Locations
 - Offenses range from stolen vehicles and burglary to felony robbery, felony hit and run, and murder
 - ALPR **data is objective, unbiased**

UAS Program

- Supporting ground personnel with an over-watch view
 - Serving a search warrant, arrest warrant
 - Aerial crime scene images
 - Crime scene reconstruction for serious vehicle collisions
- Emergency deployments
 - High risk car stops
 - Search for fleeing or missing subjects
 - Canvas rural areas for missing persons or wildlife
 - UAS recently deployed during car stop with a barricaded person - occupants surrendered upon seeing the UAS
 - No complaints or in-flight incidents
- Investigative Tools
- Reduce Vehicle Pursuits

COUNCIL OBJECTIVE

Host Community Conversations on Policing in San Mateo

STATUS UPDATE

- Community Policing Academy launched September 2021
 - Designed curriculum and delivered 11-week program
 - Feedback:
 - *"It sounds like San Mateo PD is a great model for other city police departments."*
 - *"Just so insightful and eye opening into what's "behind the badge" and how much goes into everything officers do/go through, but more than anything it made me feel like SMPD is really going above and beyond in what they offer and how they police. Made me proud to live in SM. Really amazing job to everyone involved!"*
 - *"Throughout the course, I felt safer and more proud of the police department that serves our community."*
 - *"Very transparent. Great opportunity to ask real question and get real answers. Opinions were respected."*
- Conducted 5 Real talk Sessions in 2021
- Hosted Virtual Ride-Alongs
- PAL & Neighborhood Activities
- Created Data Transparency Webpage
 - Real time information dashboard
 - Crime Mapping
 - Policing Data
 - Traffic Collisions
 - Department Policies

LOOKING AHEAD

IN THE NEXT YEAR WE LOOK TO

- Further training efforts in the areas of de-escalation, bias and principled policing
- Continue to identify and leverage technology to increase neighborhood safety
 - Work to secure analytical assistance to maximize effectiveness of technology efforts
- Continue to enhance transparency
 - Incorporate RIPA data onto transparency webpage
 - Implement transparency and accountability projects
- Implement projects and programs to enhance Traffic Unit
 - Increase officers assigned
 - Conduct more targeted saturation details
- Ensure ongoing viability of radio and communication infrastructure
- Live 911 / CueHit
