CITY OF SAN MATEO
RESOLUTION NO. 86 (2023)

APPROVING AN AGREEMENT WITH FLOCK GROUP, INC. FOR FLOCK SAFETY PLATFORM FOR AUTOMATED LICENSE PLATE READER TECHNOLOGY

WHEREAS, the Police Department wishes to enhance crime detection and crime solving capabilities by leveraging advancements in automated license plate reader (LPR) technology; and

WHEREAS, the Flock Safety Platform has been identified as the best fit for our agency and staff wishes to enter into a multi-year contract to secure services at current pricing; and

WHEREAS, Municipal Code Section 3.60.070(h)(3) provides that the City may use any purchasing procedures approved by the City Council if the Council makes a finding concurrent with the award that the procedures are in the best interest of the City for that particular agreement.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN MATEO, CALIFORNIA, HEREBY RESOLVES that:

1. This action is not a project subject to CEQA, because it can be seen with certainty that it will not cause a physical change in the environment (Public Resources Code Section 21065).
2. Pursuant to Municipal Code Section 3.60.070(h)(3), it is found that approval of the agreement with Flock Group, Inc. to purchase the Flock Safety Platform is in the City's best interest because Flock is a leader in the industry; is used by a majority of neighboring law enforcement agencies; and it will not require changes in how staff trains, operates, or manages data.
3. The purchase agreement in the cumulative amount of $501,350 is approved.
4. The Chief of Police is authorized to execute the agreement.

RESOLUTION NO. 86 (2023) adopted by the City Council of the City of San Mateo, California, at a regular meeting held on August 21, 2023, by the following vote of the City Council:
