Greetings Judy,

Will you please have your authorized officer, Cameron Christensen, fill out and sign the last page of your grant agreement, APPENDIX B: Grantee Assurance for Non-Governmental Organizations? If you don't have any to list, just put N/A and fill out the table below it. I was

unable to add the NGO form provided with your proposal because your signed grant agreement was protected and required a password . Let me know if you have any questions.

Greetings Judy,

Thank you, we have now received both your signed board resolution and grant agreement. The documents are now sent through internal review before the agreement is signed by our Deputy Director which can take up to a few weeks. Once signed, we will email a copy back to you and then the contract will be fully executed. However, as soon as the grant contract date starts (which was Oct 1st), you can start incurring expenditures. Please be aware that they will not be eligible for reimbursement until you receive and submit your invoices and some purchases might not be allowable. For any purchase over $3,500, preauthorization to purchase will be required by Eddie. If you have any questions about allowable expenses, please contact your Field Rep, Eddie Escobar, cell number 916.599.2125 and email contact eddie.escobar@bscc.ca.gov prior to making those purchases.

The virtual grantee orientation in mid-October will go over specific grant requirements such as the purchasing and responsibilities as a lead public agency . The BSCC team will go over administrative and program responsibilities in detail on Day 2 of the orientation on October 18th. Daly City will attend Day 2 (Oct 18th) and Day 3 (Oct 19th) as an ORT Prevention grantee. I attached a copy of the agenda for easy reference. Specific requirements can also be found in the ORT Prevention RFP. There is a link to it on the BSCC's website under the Organized Retail Theft Prevention Grant Program page. Here is a link to it for easy reference. https://www.bscc.ca.gov/organized-retail-theft-grant-program/ . Another good tool is the BSCC Grant Administration Guide. It was just updated in July 2023, so it has the most current up-to-date information in it. It's located under Grantee Resources on the BSCC's website under the

Corrections Planning and Grant Programs page. Here is a link to it for easy reference. https://www.bscc.ca.gov/s_correctionsplanningandprograms/. Let me know if you have any further questions.

Have a great day!

Hello Jessica,
Please see attached signed resolution from our city council. Please confirm that our grant agreement is now fully executed and we can be reimbursed for grant expenditures (hiring of personnel and procurement).

1. We wanted to ask if we as the Lead Public Agency procures on behalf of our partner cities or can our partner cities procure on their own (we prefer the latter)? If each city procures for itself, we each follow our own city's procurement rules? How does reimbursement look like?
2. For any purchase over $3,500, do we send Eddie an email with the quote to ask for preauthorization to purchase?
3. Do we need to check vendors for debarment? If we do, is there a threshold to check for debarment, for example anything over $25,000 referenced in the grant administration guide or there is no threshold and all vendors and any amount needs to be checked for debarment?
4. We are looking to hire a grant administrator, are there any requirements from BSCC for the grant administrator role? Our grant application stated that we will hire a grant administrator with grant experience; however, we have a desired potential applicant who we've worked with in the past without grant experience, but capable of learning, is that acceptable?
5. If procuring and contracting with an evaluation firm to complete the evaluation required by this grant, cause the evaluation firm to be an Non-Governmental Organization?

We appreciate all your guidance!

Best Regards,
Judy

Greeting,

That's a great question. Only the Lead Public Agency of the multi-agency grant has to provide a signed board resolution from their city council. So in your case, only Daly City is required to provide a signed board resolution along with their signed grant agreement to have their contract executed. Let me know if you have any other questions.

I do have a quick question. Does San Mateo PD or San Bruno PD need to receive their respective Council approval as well, or is just Daly City since we are the applicant supporting the multi-agency grant?

Good afternoon,

Attached please find the 2023 Organized Retail Theft Prevention Grant contract package, which includes a Standard Agreement (Form STD 213) and the Grant Agreement Contract (including Exhibits A, B, C, D, Attachment 1, Attachment 2, Appendix A, Appendix B). Please make special note of the following:

- Budgets. BSCC is using the budget table provided within your proposal for the grant agreement. Be advised that your Field Representative may be contacting you soon to request additional details and/or discuss minor modifications that need to be made to your budget line items. Although expenditures/items are listed in your proposal's budget narrative, there may be circumstances where those expenditures/items are ineligible or may need prior approval from the BSCC prior to purchase.
- Authorized Officer. Regarding the individual that will sign the grant agreement:
    - For Governmental Grantees: Please note that before grant funds can be awarded, governmental agencies must submit either (1) a resolution from the City Council that delegates authority to the individual authorized to execute the grant agreement or (2) documentation to indicate that the individual signing the grant agreement has been vested with plenary authority to execute grant agreements (e.g., a municipal ordinance or charter, etc.).

Once you have reviewed the Organized Retail Theft Prevention contract package, please complete the following:

- Carefully review the entire Grant Agreement (attached). Retain a copy for your records. Upon contract execution, the attached Grant Agreement becomes your contractually obligated scope of work.
- Sign the Standard Agreement (attached). Grant agreements can be either signed electronically or printed, signed, and then scanned. The grant agreement must be signed and dated by the Authorized Officer, Cameron Christensen.
- On or before September 28, 2023, email the Standard Agreements) to me at this email address ORT@bscc.ca.gov.

Your contract becomes fully executed only when the Standard Agreement has been signed by both you and the BSCC.

We are aware that some grantees will experience delays in obtaining the required resolution or other documentation. Please proceed with signing the Grant Agreement; however, the resolution or required documentation must be received at the BSCC as soon as possible before the contract can be fully executed and you can be reimbursed for grant expenditures. We are on a tight timeline for funding, so please provide this as soon as possible.

Once your contract has been executed, you may submit invoices for eligible expenses according to the schedule outlined in the Grant Agreement, but please note the following:

- Invoices submitted in the absence of the required documentation noted above will be processed, but reimbursement will be held until the appropriate documentation is received at the BSCC.
- Any expenses incurred prior to the start date of the contract cannot be reimbursed.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A. The Grantee shall establish an official file for the project. The file shall contain adequate documentation of all actions taken with respect to the project, including copies of this Grant Agreement, approved program/budget modifications, financial records and required reports.

EXHIBIT A: SCOPE OF WORK

B. The Grantee shall establish separate accounting records and maintain documents and other evidence sufficient to properly reflect the amount, receipt, and disposition of all project funds, including grant funds and any matching funds by the Grantee and the total cost of the project. Source documentation includes copies of all awards, applications, approved modifications, financial records, and narrative reports.

F. All Grantee records relevant to the project must be preserved a minimum of three (3) years after closeout of the grant project and shall be subject at all reasonable times to inspection, examination, monitoring, copying, excerpting, transcribing, and auditing by the BSCC or designees. If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the three-year period, the records must be retained until the completion of the action and resolution of all issues which arise from it or until the end of the regular three-year period, whichever is later.

7. CONFLICT OF INTEREST

A. Existing law prohibits any grantee, subgrantee, partner or like party who participated on the Organized Retail Theft Grant Program Scoring Panel from receiving funds awarded under the Organized Retail Theft Grant Program RFP. Applicants who are awarded grants under this RFP are responsible for reviewing the Organized Retail Theft Grant Program Scoring Panel roster (*Appendix A*) and ensuring that no grant dollars are passed through to any entity represented by the members of the Organized Retail Theft Grant Program Scoring Panel.

B. In cases of an actual conflict of interest with a Scoring Panel member, the Board may revoke the grant award and legal consequences could exist for the parties involved, including, but not limited to, repayment of the grant award.

A. In no event shall the BSCC be obligated to pay any amount in excess of the grant award. Grantee waives any and all claims against the BSCC, and the State of California on account of project costs that may exceed the sum of the grant award.

B. Under no circumstance will a budget item change be authorized that would cause the project to exceed the amount of the grant award identified in this Grant Agreement. In no event shall changes be authorized for the Administrative Salaries and Benefits line item that would result in that item exceeding ten percent (10%) of the grant award.

3. BUDGET CONTINGENCY CLAUSE

A. This grant agreement is valid through Organized Retail Theft funding generated from the General Fund. The Grantee agrees that the BSCC's obligation to pay any sum to the grantee under any provision of this agreement is contingent upon the availability of sufficient funding granted through the passage of Senate Bill 154 (Chapter 43, Statutes of 2022), also known as the California Budget Act of 2022. It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Grant Agreement does not appropriate sufficient funds for the program, this Grant Agreement shall be of no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement.

B. If Organized Retail Theft funding is reduced or falls below estimates contained within the Organized Retail Theft Request for Proposals, the BSCC shall have the option to either cancel this Grant Agreement with no liability occurring to the BSCC or offer an amendment to this agreement to the Grantee to reflect a reduced amount.

C. If BSCC cancels the agreement pursuant to Paragraph 3(B) or Grantee does not agree to an amendment in accordance with the option provided by Paragraph 3(B), it is mutually agreed that the Grant Agreement shall have no further force and effect. In this event, the BSCC shall have no liability to pay any funds whatsoever to Grantee or to furnish any other considerations under this Agreement and Grantee shall not be obligated to perform any provisions of this Grant Agreement except that Grantee shall be required to maintain all project records required by Paragraph 6 of Exhibit A for a period of three (3) years following the termination of this agreement.

agreement. BSCC will notify grantees whenever an updated version is posted. The BSCC Grant Administration Guide is available at:
https://www.bscc.ca.gov/s_correctionsplanningandprograms/

B. The provisions of the BSCC Grant Administration Guide are incorporated by reference into this agreement and Grantee shall be responsible for adhering to the requirements set forth therein. To the extent any of the provisions of the BSCC Grant Administration Guide and this agreement conflict, the language in this agreement shall prevail.

C. Grantee is responsible for ensuring that statements of expenditures submitted to the BSCC claim actual expenditures for eligible project costs.

D. Grantee shall, upon demand, remit to the BSCC any grant funds not expended for eligible project costs or an amount equal to any grant funds expended by the Grantee in violation of the terms, provisions, conditions or commitments of this Grant Agreement.

E. Grant funds must be used to support new program activities or to augment existing funds that expand current program activities. Grant funds shall not replace (supplant) any federal, state and/or local funds that have been appropriated for the same purpose. Violations can result in recoupment of monies provided under this grantor suspension of future program funding through BSCC grants.

5. PROMPT PAYMENT CLAUSE

Payment will be made in accordance with, and within the time specified in, Government Code Chapter 4.5, commencing with Section 927.

6. WITHHOLDING OF GRANT DISBURSEMENTS

A. The BSCC may withhold all or any portion of the grant funds provided by this Grant Agreement in the event the Grantee has materially and substantially breached the terms and conditions of this Grant Agreement.

B. At such time as the balance of state funds allocated to the Grantee reaches five percent (5%), the BSCC may withhold that amount as security, to be released to the Grantee upon compliance with all grant provisions, including:

1) submittal and approval of the final invoice;
2) submittal and approval of the final progress report; and

C. The BSCC will not reimburse Grantee for costs identified as ineligible for grant funding. If grant funds have been provided for costs subsequently deemed ineligible, the BSCC may either withhold an equal amount from future payments to the Grantee or require repayment of an equal amount to the State by the Grantee.

D. In the event that grant funds are withheld from the Grantee, the BSCC's Executive Director or designee shall notify the Grantee of the reasons for withholding and advise the Grantee of the time within which the Grantee may remedy the failure or violation leading to the withholding.

14. **GOVERNING LAW:** This contract is governed by and shall be interpreted in accordance with the laws of the State of California.

15. **ANTITRUST CLAIMS:** The Contractor by signing this agreement hereby certifies that if these services or goods are obtained by means of a competitive bid, the Contractor shall comply with the requirements of the Government Codes Sections set out below.

    A. The Government Code Chapter on Antitrust claims contains the following definitions:

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

1. GRANTEE'S GENERAL RESPONSIBILITY

B. Grantee is responsible for the performance of all project activities identified in Attachment 1: Organized Retail Theft Grant Program Request for Proposals (incorporated by reference) and Attachment 2: Organized Retail Theft Grant Program Grant Proposal.

C. Grantee shall immediately advise the BSCC of any significant problems or changes that arise during the course of the project.

3. POTENTIAL SUBCONTRACTORS

A. In accordance with the provisions of this Grant Agreement, the Grantee may subcontract for services needed to implement and/or support program activities. Grantee agrees that in the event of any inconsistency between this Grant Agreement and Grantee's agreement with a subcontractor, the language of this Grant Agreement will prevail.

B. Nothing contained in this Grant Agreement or otherwise, shall create any contractual relation between the BSCC and any subcontractors, and no subcontract shall relieve the Grantee of his responsibilities and obligations hereunder. The Grantee agrees to be as fully responsible to the BSCC for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Grantee. The Grantee's obligation to pay its subcontractors is an independent obligation from the BSCC's obligation to make payments to the Grantee. As a result, the BSCC shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

C. Grantee shall ensure that all subcontractors comply with the eligibility requirements stated in the ARG Rehabilitation of Existing Property or Building Project RFP and described in Appendix B.

E. Grantee agrees to place appropriate language in all subcontracts for work on the project requiring the Grantee's subcontractors to:

1) Books and Records

Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the final grant project audit under the Grant Agreement, and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees, or by federal government auditors or designees.

2) Access to Books and Records

Make such books, records, supporting documentations, and other evidence available to the BSCC or designee, the State Controller's Office, the Department of General Services, the Department of Finance, California State Auditor, and their designated representatives during the course of the project and for a minimum of three (3) years after acceptance of the final grant project audit. EXHIBIT D: SPECIAL TERMS AND CONDITIONS

B. The BSCC reserves the right to call for a program or financial audit at any time between the execution of this Grant Agreement and three years following the end of the grant period. At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement or take other remedies legally available.

6. DEBARMENT, FRAUD, THEFT OR EMBEZZLEMENT

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to grantees that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All Grantees must have on file with the BSCC a completed and signed Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement (Required as Appendix E of the original Proposal Package).

1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;

2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: Organized Retail Theft Grant Program Request for Proposals and Attachment 2: Organized Retail Theft Grant Program Grant Proposal, or approved modifications;

3) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.

B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 9. Settlement of Disputes.

9. SETTLEMENT OF DISPUTES

A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Grant Programs Division Deputy Director a written demand for a final decision regarding the disposition of any dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Grant Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30-day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Grant Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.

B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.

EXHIBIT D: SPECIAL TERMS AND CONDITIONS

C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.

D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

10. UNION ACTIVITIES

For all agreements, except fixed price contracts of $50,000 or less, the Grantee acknowledges that applicability of Government Code §§16654 through 16649 to this Grant Agreement and agrees to the following:

A. No State funds received under the Grant Agreement will be used to assist, promote or deter union organizing.

B. Grantee will not, for any business conducted under the Grant Agreement, use any State property to hold meetings with employees or supervisors, if the purpose of such meetings is to assist, promote or deter union organizing, unless the State property is equally available to the general public for holding meetings.

C. If Grantee incurs costs or makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no reimbursement from State funds has been sought for these costs, and that Grantee shall provide those records to the Attorney General upon request.

11. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

Project Title	**Daly City, San Bruno, San Mateo Police Departments Coordinating to Address ORT, MVT, MVAT**
Proposal Summary	**Daly City Police Department is partnering with San Bruno and San Mateo Police Departments. Together, the partner agencies will launch a coordinated and strategic effort to address and prevent retail and vehicle/accessory theft in the region. Community Service Officers, an Organized Retail Theft Task Force, DCPD MVT/MVAT Operations, Community Awareness Campaigns, and technologies such as Starchase, C3 investigative tools, and Automatic License Plate Readers will enhance efforts to protect and serve. The initiative will reduce ORT, MVT, and MVAT in partnering jurisdictions, improving the safety and security of residents and retailers alike.**

PROGRAM PURPOSE AREAS	**Applicants must propose activities, strategies, or programs that address the Program Purpose Areas (PPAs) as defined on pages 5 - 8 in the ORT Prevention Grant Proposal Instruction Packet. A minimum of one (1) PPA must be selected; applicants are not required to address all three (3) PPAs. All proposed activities, strategies, or programs must have a link to the ORT Prevention Grant Program as described in the authorizing legislation and the ORT Prevention Grant Proposal Instruction Packet.**
Program Purpose Areas (PPAs):	**PPA 1: Organized Retail Theft** **PPA 2: Motor Vehicle or Motor Vehicle Accessory Theft**
Funding Category Information	**Applicants may apply for funding in a Medium Scope OR Large Scope Category. The maximum an applicant may apply for is up to $6,125,000 in the Medium Scope category OR up to $15,650,000 in the Large Scope category. Applicants may apply for any dollar amount up to and including the maximum grant amount identified in each category. Multi-agency partnerships (determined as Medium Scope OR Large Scope) may apply for up to the maximum grant award in that category, multiplied by the number of partnering eligible applicants. For Example: Four (4) eligible applicants in the Medium Scope category may submit one (1) application for up to $24,500,000 o $6,125,000 (Medium Scope Max) x 4 (# of Agencies) = $24,500,000 Two (2) eligible applicants in the Large Scope category may submit one (1) application for up to $31,300,000 o $15,650,000 (Large Scope Max x 2 (# of Agencies) = $31,300,000 Please reference pages 10-12 in the ORT Prevention Grant Proposal Instruction Packet for additional information.**
Funding Category	**Medium Scope (Up to $6,125,000)**
SECTION IV - PROPOSAL NARRATIVE AND BUDGET	**This section requests responses to the Rating Factors identified in the the ORT Prevention Grant Program Application Instruction Packet.**

Proposal Narrative Instructions	**The Proposal Narrative must address the Project Need, Project Description, Project Organizational Capacity and Coordination, and Project Evaluation and Monitoring Rating Factors as described in the ORT Prevention Grant Instruction Packet (refer to pages 20-24). A separate narrative response is required for each Rating Factor as described below: The Project Need narrative may not may not exceed 6,711 total characters (includes punctuation, numbers, spacing and any text). In Microsoft Word, this is approximately three (3) pages in Arial 12-point font with one-inch margins on all four (4) sides and at 1.5-line spacing. The Project Description narrative may not may not exceed 11,185 total characters (includes punctuation, numbers, spacing and any text). In Microsoft Word, this is approximately five (5) pages in Arial 12-point font with one-inch margins on all four (4) sides and at 1.5-line spacing. The Project Organizational Capacity and Coordination narrative may not may not exceed 4,474 total characters (includes punctuation, numbers, spacing and any text). In Microsoft Word, this is approximately two (2) pages in Arial 12-point font with one-inch margins on all four (4) sides and at 1.5-line spacing. The Project Evaluation and Monitoring narrative may not may not exceed 4,474 total characters (includes punctuation, numbers, spacing and any text). In Microsoft Word, this is approximately two (2) pages in Arial 12-point font with one-inch margins on all four (4) sides and at 1.5-line spacing. A character counter is automatically enabled that shows the number of characters used and the remaining number of characters before the limit for each response is met. If the character limit is exceeded, a red prompt will appear with the message "You have exceeded the character limit". Applicants will be prohibited from submitting the ORT Prevention Grant Program Application until they comply with the character limit requirements. NOTE: It is up to the applicant to determine how to use the total word limit in addressing each section, however as a guide, the percent of total point value for each section is provided in the ORT Prevention Grant Proposal Instruction Packet (refer to page 15).**
Project Need	**Need to be Addressed / Process to Determine Need / Related to Intent of Grant Program: Daly City Police Department conducted a comprehensive Needs Assessment to gather documentation from numerous sources to support internal data that identified intensifying challenges related to Organized Retail Theft (ORT), Motor Vehicle Theft (MVT), and Motor Vehicle Accessory Theft (MVAT) in the jurisdiction. Data was gathered from the Daly City Police Department, local retailers (Macy's, Old Navy, Victoria's Secret, Dick's Sporting Goods, Westlake Shopping Center, and Serramonte Shopping Center. The Needs Assessment process connected the Daly City Police Department to the San Mateo and San Bruno Police Departments (also referred to as partner agencies) to review each respective jurisdiction's statistics. It was quickly determined that common challenges can best be addressed through partnership. Together, the three police departments are coordinating to jointly apply for CORTP Grant Program funds. The project design aligns directly with the funding intent to prevent, respond and investigate**

ORT, MVT, and MVAT.

ORT continues to skyrocket, threatening employee and customer safety and causing retailers to report massive losses. Recently, over $1 million was stolen in an organized retail smash-and-grab theft at Serramonte Shopping Center, resulting in a high-speed chase and crash and a lengthy investigation to apprehend additional suspects. Despite efforts, only $120K of stolen merchandise was recovered. Recent headlines include: "3 suspects steal $2k worth of fragrances from Daly City Macy's: police" (December 22, 2022) and "Teen arrested on suspicion of stealing $16,000 in merchandise from Target" (December 27, 2021).

In nearby San Francisco, rising ORT led to the closures of numerous retailers, pushing crime rings to neighboring cities. ORT has become so pervasive that retailers are now locking laundry detergent, shampoos, and even Windex behind plexiglass doors that require employee assistance to open.

Vehicle theft is also a growing challenge. Partner agencies regularly issue Public Service Announcements across social media outlets encouraging drivers to protect their vehicles from theft through various methods. Vehicles are regularly relieved of parts and accessories (catalytic converter, rims/wheels, and any handheld technology). Recent headlines include: "$18K worth of goods stolen from Daly City auto repair shop, suspects at large" (May 11, 2023); and "Police Warn San Mateo Residents of Vehicle Theft; Man Charged" (March 9, 2023).

Service Gaps / Location / Accessibility: The County of San Mateo has approximately 729,000 individuals.

The partner agencies are in the Bay Area, on the Peninsula, between San Francisco County and Santa Clara County. As stated above, San Francisco has been experiencing high ORT, MVT, and MVAT and as their retail stores close, more crime is coming, or expected to come to the partner agency jurisdictions. The growing number of theft incidents make security positions difficult to fill and maintain, as the personal risk is simply deemed too great for compensation. The cities of Daly City, San Bruno, and San Mateo have the four largest shopping malls in San Mateo County, each with over 100 stores, businesses, and restaurants, creating ample opportunities for organized theft operations. There is a desperate need for public-facing substations with dedicated police presence in large retail centers.

Vehicle theft, and vehicle accessory theft, are challenges both for unattended personal vehicles parked in lots, on streets, and for vehicles and components stored at auto retailers. MVT and MVAT goods disappear quickly into recycling facilities to be broken down for the precious metals inside catalytic converters.

Across Daly City, San Bruno, and San Mateo jurisdictions, there is a

need for fixed automated license plate readers (ALPRs) and vehicle-mounted camera systems to support the response to retail theft and motor vehicle/accessory theft. Community Service Officers can be crucial for ORT, MVT, and MVAT crime reporting and documentation; however, they are not consistently supported by existing budgets at this time. Focused on ORT, MVT, and MVAT, additional Community Service Officers – and the equipment necessary to support their efforts – are needed by the Daly City and San Mateo Police Departments. Data sharing is another critical gap, and a consistent data aggregation platform is needed to share data within Daly City, San Bruno, and San Mateo Police Departments and with neighboring agencies and counties to coordinate, investigate, and solve crimes faster.

One of the largest gaps in services at this time is appropriate staffing levels. The partner agencies desperately need funding to support overtime to enable targeted ORT, MVT, and MVAT prevention efforts and Community Service Officers assigned to Patrol to create capacity for documentation of ORT, MVT, and MVAT-related cases. At this time, when there is no known suspect or investigative leads, reports are submitted through an online system and rarely solved. Overburdened partners also lack the capacity to offer education and liaison functions for local retailers to promote best practices to identify, reduce, and report ORT crimes.

Data Describing Theft: Rising theft rates are plaguing retailers across Daly City, San Bruno, and San Mateo. In 2022, the local Macy's documented a loss of $2 million, placing the Daly City location in their highest theft "Tier A" category (interview with Loss Prevention Manager). Dick's Sporting Goods in Daly City has experienced a 290% increase in theft since 2020. Daly City and San Mateo's Home Depots have lost over $19M to theft since 2020. Victoria's Secret in San Mateo documented a 400% increase in loss between 2020 and 2022. A retailer in San Bruno reported $2.6M in loss in 2023, a 52% increase since 2019. San Mateo's Sephora has lost 1.4M this year so far, which is a 121% increase since 2021. Overall, there have been 16,703 documented theft cases in the partner agency jurisdictions since 2018, with over $40M of stolen merchandise (based on available retailer data). Based on all collected data from retailers in the partner agency jurisdictions, there was a 34% increase in loss in 2022 when compared to 2021. Retailer Letters of Commitment appended.

Vehicle theft is also increasing exponentially, with 4,866 MVT-reported cases and 1,525 documented cases of MVAT since 2018 for all partners. Despite etching technology to facilitate component identification and a "bait car" to address these issues, residents frequently find their vehicles relieved of parts and accessories.

Project Description

1. Addressing Needs
Activities / Services / Interventions, length and duration:
****Together, the Daly City, San Bruno, and San Mateo Police Departments (partner agencies) will launch a coordinated and strategic effort to address and prevent retail and vehicle/accessory**

theft in the community. Key activities will include:
**Organized Retail Theft Task Force (ORTTF) Days: Held over eight days each quarter, from December 2023 through December 2026, grant funds will support overtime expenses for a Lieutenant, a Sergeant, and Officers to conduct Zero Theft Tolerance days across the partnering agencies jurisdictions. The ORTTF deployments will rotate among various retail locations, within partner agency jurisdictions.
**Daly City PD MVT/MVAT Operations: Once per quarter, Daly City PD would deploy their existing bait car, outfitted with tracking devices on key accessories, throughout hotspot locations within the city in an attempt to combat MVT and MVAT. Tracking devices allow officers to safely track and apprehend suspects after committing an MVT or MVAT. Up to ten additional catalytic converters will be purchased to be used in the bait car in the event they're damaged beyond repair for use in future operations.
**Community Service Officers: An additional CSO will be added to the San Mateo and Daly City Police Departments from January 2024 through December 2026. Fully equipped electric vehicles will be purchased for Daly City and San Mateo's CSOs, supporting prevention (through retailer training), documentation, and investigation of ORT, MVT, and MVAT-related cases.
**Community Awareness: Advertising campaigns, including mailers, will be conducted twice a year from December 2023 through December 2026 to ensure the community is aware that the partnering agencies are cracking down on retail and vehicle/accessory theft and to better arm citizens against becoming victims. A message board trailer with ALPR cameras will also be purchased, enabling prevention warnings in hotspots, serving as a visible deterrent, and collecting ORT, MVT, and MVAT data.
**Investigative Tools: The partnering agencies will purchase and utilize a new data aggregation tool to enhance investigations and reporting (C3.ai Law Enforcement Application) hosted by Amazon Web Services. This tool allows agencies to share data amongst each other in the county, enhancing and accelerating investigations faster than ever before since all data will be combined into one central location. Using this tool, law enforcement personnel would be better equipped to prevent (through advanced analytics and reporting) and investigate (through data sharing and timesaving) ORT, MVT, and MVAT, enhancing our communities' safety and security. Grant funds will support the development, onboarding, and enhancements of this technology from January 2024 through December 2026.
**Automatic License Plate Readers: New ALPR cameras will be fixed throughout the partner agencies' jurisdictions to assist with preventing and investigating crimes related to ORT criminal networks, MVT, and MVAT.
**Surveillance Pole Camera Trailers: To be deployed to hot-spot locations for ORT, MVT, and MVAT, serving as a visual deterrent and collecting evidence when crimes occur. They will benefit the community long beyond the funding period.
**Starchase: Starchase systems will be purchased and utilized to locate and apprehend fleeing motor vehicles. The discharged projectile will broadcast relevant GPS information of a fleeing suspect

vehicle without having to engage in a pursuit that puts public safety at risk. This will serve as an investigative tool so police can follow up and hold ORT, MVT, and MVAT suspects accountable while minimizing risk to the community.
**Substation at Hillsdale Mall: A public-facing substation will be established at Hillsdale Mall, allowing officers and/or a CSO to be onsite, facilitating walk-ins for advice, counter reports, and fast response when crimes occur. Grant funds will cover upgrading the internet connection from the Substation to the San Mateo Police Department. Also, minor upgrades to paint, flooring, and office furniture to support this important service. This resource will benefit the community beyond the funding period.

Target Area / Population:
Grant funds will serve Daly City, San Bruno, and San Mateo Police Departments, home to approximately 247,000 residents. All three Police Departments are partnering on this initiative to address shared challenges related to ORT, MVT, and MVAT. As described, the formal Needs Assessment process connected the Daly City Police Department to San Mateo and San Bruno Police Departments to review their respective jurisdiction's statistics and common challenges promoted partnership. Together, the three police departments protecting and serving their respective city jurisdictions are coordinating to jointly apply for California Organized Retail Theft Prevention Grant Program funds. Rising rates of ORT, MVT, and MVAT are detracting from the safety and overall quality of life in Daly City, San Bruno, and San Mateo as organized theft circuits expand beyond the City and County of San Francisco to our neighboring county. Efforts must be strategically coordinated.

Addressing Project Need and Intent of Grant Program:
The following grant-funded activities will directly impact rising ORT, MVT, and MVAT rates:
** Organized Retail Theft Task Force
**Community Service Officers
**Substation at Hillsdale Mall
**Community Awareness
**Investigative Tools
**Automatic License Plate Readers
**Surveillance Pole Camera Trailers
**Starchase
**Daly City PD MVT/MVAT Operations
(Please cross-reference the detailed descriptions above due to space constraints.)

Coordination and Collaboration:
As described, Daly City PD is the lead applicant, in coordination with San Mateo PD and San Bruno PD. C3 technology purchased with grant funds will enhance and expand partnership capabilities, facilitating data sharing and real-time communication to identify suspects across jurisdictions and prevent further crime. Signed Letters of Commitment have been secured from San Mateo Police

Department and San Bruno Police Department. A joint Letter of Impact with retailers and the District Attorney's Office is also appended.

2. Goals, Objectives, and Impact:
The overall goal of this initiative is to reduce the occurrences of ORT, MVT, and MVAT in the partner agencies jurisdictions.

Objective 1: Reported losses from retail theft will reduce when comparing 2022-2023 data to 2025-2026 data for major retailers in Daly City, San Bruno, and San Mateo.
*This relates directly to the need to reduce retail theft in the region.

Objective 2: Vehicle theft and vehicle accessory theft rates will reduce when comparing 2022-2023 data to 2025-2026 data for Daly City, San Bruno, and San Mateo.
*This relates directly to the need to reduce vehicle/vehicle accessory rates in the region.

Work Plan: The completed Project Work Plan is included as Appendix B and identifies top goals and objectives, as well as related activities, measures, and timelines.

3. Rationale:
Daly City PD and partners San Mateo PD and San Bruno PD will leverage evidence-based strategies to address rising retail and vehicle/accessory theft rates.

Data Collection: Overtime hours and increased staffing, vehicle cameras, automatic license plate readers, and C3 investigative tools will allow the partnering PDs to compile incident-based crime data, as recommended in the Evidence-Based Policing in 45 Small Bytes released by OJP in May 2020. Details crucial for spotting patterns and choosing the best responses are easy to identify in incident-based formats but get lost in aggregate form.

Organized Retail Theft Task Force: Portland Police Department (Oregon) conducted similar activities in early 2023 and reported tremendous success. Their goal was to curb shoplifting and car thefts. Their February 2023 effort led to 40 arrests and 60 warrants serviced, 32 felony charges, 28 misdemeanor charges, and over $2,000 of stolen merchandise recovered. The December 2022 effort resulted in 64 arrests, 70 warrants serviced, 10 recovered stolen vehicles, three firearms confiscated, and $9,000 in stolen merchandise recovered. Portland Police report that their retail theft missions send a message that they are cracking down on all crime, from shoplifting to stealing cars.

4. Existing Policies to Govern Use of Surveillance Technology:
All partnering Police Departments have policies and procedures in place to govern the use of any agency specific surveillance technology. All partnering Police Departments comply with applicable privacy laws and regulations and secure any data that is collected or

stored to protect individual privacies.

5. Existing Policies to Limit Racial Bias:
All partnering Police Departments maintain policies to ensure that policing is fair and objective. Training supports these policies, including Peace Officer Standards Training (POST)-approved training on the subject of bias-based policing. Officers are encouraged to familiarize themselves with and consider racial and cultural differences among members of the community and approved refresher courses are taken at least every five years. Policies support the commitment to providing law enforcement services to the community with due regard for the racial, cultural, or other differences of those served. All partnering Police Departments maintain the policy to provide law enforcement services and to enforce the law equally, fairly, objectively, and without discrimination toward any individual or group. Bias-based policing is strictly prohibited.

Project Organizational Capacity and Coordination

1. Applicant's Ability to Administer the Project:

Lead Applicant Daly City PD is led by one Chief and two supporting Captains, heading the Field Operations Bureau and the Support Services Bureau. Both Bureaus have Administration Services Divisions staffed with the personnel necessary to lead multi-faceted grant initiatives. All grant funding will be kept in a separate account, and double confirmation will be required prior to fund release, ensuring alignment with the stated grant intent. Daly City PD works closely with San Mateo PD and San Bruno PD and will ensure formal monthly communication to coordinate activities and oversee budgetary matters effectively. Daly City PD is experienced in leading efforts to enhance the safety and security of the community and has led and managed multiple Office of Traffic Safety grants to support DUI checkpoints.

Staffing Required / Qualifications:
Two full-time CSOs will be hired to support project activities (one at San Mateo and one at Daly City). All CSOs will meet the required qualifications to serve as Community Service Officers and handle ORT, MVT, and MVAT-related cases.

A part-time Management Analyst (referred to as Grant Administrator hereinafter) will be hired to manage and oversee grant activities and will be employed by the lead applicant Daly City PD. The part-time Grant Administrator will have experience managing grants.

Existing Staff Resources:
Daly City PD and San Mateo PD will dedicate ten hours each month from an existing Administrative Assistant to data compilation through C3. Existing payroll services will also be dedicated to the initiative, ensuring all project-funded staff are compensated.

Project funding will cover overtime expenses for teams of Sworn Officers to form an Organized Retail Theft Task Force to stop retail

theft. The Daly City MVT/MVAT Operations and deployments will also be supported by overtime each quarter. Teams will be comprised of a Lieutenant, a Sergeant, and Officers who will be recruited for these overtime opportunities from existing Sworn Officers.

Project Management and Oversight:
The project will be led by Project Director Ignacio Reyes, Lieutenant of the Daly City Police Department. Lieutenant Reyes is a practiced leader with the skills and qualifications necessary to lead project implementation successfully. He is the best possible candidate for this position.

Project Director Reyes will be supported by the part-time Grant Administrator.

2. Partners:
Daly City PD will coordinate with San Mateo PD and San Bruno PD. The ORTTF will rotate focus among partner jurisdictions on a non-predictable schedule based on data analysis and need. All three PDs have included budgetary items needed to support enhanced efforts focused on ORT, MVT, and MVAT. Activities will be undertaken in coordination and further supported by the C3 technology that will allow all partners to quickly and efficiently share data to identify actionable trends. Formal monthly communication will take place throughout the project to facilitate the coordination of activities; however, C3 technology will ensure real-time coordination related to crime-stopping, prevention, and investigation. San Mateo PD will hire one CSO to support project activities. San Bruno PD has the staffing in place and will focus grant funds on needed equipment. All partners will support extensive OT costs with grant funds. Letters of Commitment are attached.

3. Timeline for MOUs:
Letters of Commitment have been secured. MOUs can be drafted and signed immediately upon notification of award. Daly City PD, San Mateo PD, and San Bruno PD will be ready to "hit the ground running" within four weeks of award notification.

4. Management Structure:
Daly City PD is the Lead Applicant. Partners will be asked for input; however, Daly City PD has the final word on decision-making.

5. Sustainability:
Equipment, technology, and supplies are one-tim e purchases that will continue to positively impact the partner agencies' jurisdictions beyond the funding period. Partnering police departments are prepared to absorb the subscription expenses and upkeep necessary to continue efforts beyond the funding period. Enhanced coordination and sharing of resources will allow project efforts to continue.

Project Evaluation and Monitoring

1. Conducting Project Evaluation:

An External Evaluator will be secured, and initial efforts are underway to determine which local firm will best fit project needs. Daly City PD has reached out to two local colleges offering evaluation opportunities. The External Evaluator will collect baseline data at the start and monitor relevant data sets throughout the project period. Reports will be generated quarterly to showcase qualitative and quantitative data capturing movement toward goals and objectives.

2. Process Measures and Outcome Measures:
Quarterly Organized Retail Theft Task Force efforts begin Month 1.
Quarterly Daly City PD MVT/MVAT Operations efforts begin Month 1.
CSOs recruited, hired, and in training by Month 4.
Equipment and technology purchased and deployed by Month 4.
Number of retail theft arrests reviewed monthly.
Retail theft losses quantified quarterly by local retailers.
Value of merchandise recovered reviewed monthly.
Number of MVT and MVAT reports reviewed monthly.
Number of recovered vehicles and accessories reviewed monthly.
Frequency of useful evidence or leads obtained from ALPR, Dash Cameras, Tracking Devices, Starchase equipment reviewed monthly.

3. Monitoring:
The External Evaluator will generate reports quarterly showcasing qualitative and quantitative data that illustrate progress and challenges related to the goal and objective attainment. All three Police Departments will meet to review this data and decide what strategies to pursue if goals and objectives are not on track.

4. Collecting Data:
Baseline data will be utilized from 2022-2023 records. The new enhancements to the C3 system will allow all partners to display relevant data from the shared system, facilitating efforts to track trends and identify actionable patterns. Partners have already agreed to share data in the Letters of Commitment and will include this phrasing in MOUs as well. Data will be collected from receipts, training attendance logs, OT records, number of arrests/citations/vehicles recovered, the value of merchandise recovered, data from local retailers, data from officer reports, and a variety of other sources.

5. Research Design / Methodology:

Letter of Agreement / Local Impact

Daly City Police Department is applying for the Organized Retail Theft Prevention Grant Program.

Together, the Daly City, San Bruno, and San Mateo Police Departments (partner agencies) will launch a coordinated and strategic effort to address and prevent retail and vehicle/accessory theft in the community. Key activities will include:

- Organized Retail Theft Task Force (ORTTF) Days: Held over eight days each quarter, from December 2023 through December 2026, grant funds will support overtime expenses for a Lieutenant, a Sergeant, and Officers to conduct Zero Theft Tolerance days across the partnering agencies jurisdictions. The ORTTF deployments will rotate among various retail locations, within partner agency jurisdictions.
- Daly City PD MVT/MV AT Operations: Once per quarter, Daly City PD would deploy their existing bait car, outfitted with tracking devices on key accessories, throughout hotspot locations within the city in an attempt to combat MVT and MVAT. Tracking devices allow officers to safely track and apprehend suspects after committing an MVT or MVAT. Up to ten additional catalytic converters will be purchased to be used in the bait car in the event they're damaged beyond repair for use in future operations.
- Community Service Officers: An additional CSO will be added to the San Mateo Police Department and the Daly City Police Department from December 2023 through December 2026. Electric vehicles equipped with dash camera technologies will be purchased for Daly City and San Mateo's CSOs, enabling them to capture relevant c1ime data on-scene at retail locations.
- Community Awareness: An adve1tising campaign will be conducted from December 2023 through December 2026 to ensure the community is aware the partnering agencies are cracking down on retail and vehicle/accessory theft, and to better aim citizens against becoming victims. A message board trailer with ALPR cameras will also be purchased to share information about preventing vehicle and accessory theft.
- Investigative Tools: The partnering agencies will purchase and utilize a new data aggregation investigative tool (C3.ai Law Enforcement Application) hosted by Amazon Web Services. By leveraging data integration, analysis, collaboration, and data/intelligence sharing, law enforcement personnel would be better equipped to prevent and investigate Organized Retail Theft and motor vehicle theft/accessory theft, enhancing our communities' safety and security. Grant funds will support this technology from January 2024 through December 2026.
- Automatic License Plate Readers: New ALPR cameras will be fixed throughout the partnering agencies' jurisdictions to capture relevant data for investigations related to ORT criminal networks and stolen motor vehicles/accessory theft vehicles.

- Surveillance Pole Camera Trailers: To be deployed to hot-spot locations for ORT, motor vehicle/accessory theft serving as a visual deterrent and collecting evidence when crimes occur. They will benefit the community long beyond the funding period.
- Starchase: Starchase systems will be purchased and utilized to locate and apprehend fleeing motor vehicles. The discharged projectile will broadcast relevant GPS information of a fleeing suspect vehicle without having to engage in a pursuit that puts public safety at risk. This will serve as an investigative tool so police can follow up and hold ORT, MVT, and MVAT suspects accountable while minimizing risk to the community.
- Substation at Hillsdale Mall: A public-facing substation will be established at Hillsdale Mall, ensuring officers and/or a CSO will be onsite, facilitating walk-ins for advice, counter reports, and fast response when crimes occur. Grant funds will cover upgrading the internet connection from the Substation to the San Mateo Police Department. Also, minor upgrades to paint, flooring, and office furniture to support this important service. This resource will benefit the community beyond the funding period.

How the Project Might Impact Retailers: There will be increased law enforcement presence in retail spaces. Community Service Officers will be responding to ORT theft-related incidents and liaising with local retailers to ensure they are aware of best and emerging practices to identify, reduce, and report ORT crimes.

How the Project Might Impact Local Governmental Agencies: A crackdown on theft will increase the number of individuals arrested, served warrants, standing trial, and appearing before the San Mateo County District Attorney's Office.

Working Together to Address Impacts for Retailers: The benefits of the proposed activities outweigh the potential negatives. At this time, theft rates are so high in local stores that retailers report struggling to find staff willing to work. Collaboration enables crime prevention, enhances investigation capabilities, ensures swift response, facilitates intelligence sharing, promotes public safety, and fosters community trust. By joining forces, law enforcement and retailers can create a safer retail environment and mitigate the risks associated with criminal activities, benefiting both businesses and the communities they serve.

Working Together to Address Impacts for Local Governmental Agencies: An increase in arrests, warrants, and appearances will increase the workload for the San Mateo County District Attorney's Office; however, in the long run, these measures will ultimately reduce theft and crime in the community. This is a worthy endeavor.

Subject: Partnership Request to Combat Organized Retail Crime (ORC}

Dear Daly City Police Department,

I am writing on behalf of Walgreens to express our commitment to supporting local law enforcement departments in their efforts to combat Organized Retail Crime (ORC) in Daly City, CA. We recognize the importance of collaboration between law enforcement agencies and retailers like us to address this growing challenge effectively.

At Walgreens, we take ORC seriously, and we are actively working to mitigate its impact on our operations and the safety of our team members, patients and customers. We understand the crucial role law enforcement plays in investigating and apprehending those responsible for these criminal activities. In line with our commitment, we would like to extend our support to your department by assisting in obtaining grants dedicated to fighting ORC.

Our data reveals that Walgreens loses 12% of profits due to product shrink across our 539 stores in California. The retail value of our total annual losses in California is higher than any other state in the country with CA stores losing 2.6 times more than the average store in the chain. Our rate of internally reported incidents of criminal activity in CA is 2.4 times more than our national per store average. This significant financial burden not only affects our profitability but more importantly, negatively impacts our team members' safety, job satisfaction, and overall customer/patient experience. This grant funding will increase Daly City Police Department's resources which will reduce retail losses and create a safer environment for our team members, patients and customers.

It is crucial that we address this issue collectively, pooling our resources, expertise, and strategies. By joining forces, we can develop proactive measures to prevent ORC, identify and apprehend offenders, and create a deterrent effect that will ultimately protect our businesses and communities we serve. We firmly believe that grant funding and a strong partnership between Walgreens and The Daly City Police Department will be instrumental in achieving this shared goal.

Thank You,

e:JJ

Bias-Based Policing

402.1 PURPOSE AND SCOPE

This policy provides guidance to Daly City Police Department members that affirms the Daly City Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the Daly City Police Department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

402.2 POLICY

The Daly City Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

The Daly City Police Department expressly prohibits racial and identity profiling.

The Daly City Police Department is committed to providing services and enforcing laws in a professional, non-discriminatory, fair, and equitable manner that keeps both the community and officers safe and protected.

The Daly City Police Department recognizes that explicit and implicit bias can occur at both an individual and an institutional level and is committed to addressing and eradicating both.

The intent of this policy is to increase the Daly City Police Department's effectiveness as a law enforcement agency and to build mutual trust and respect with the city's diverse groups and communities.

A fundamental right guaranteed by the Constitution of the United States is equal protection under the law guaranteed by the Fourteenth Amendment. Along with this right to equal protection is the fundamental right to be free from unreasonable searches and seizures by government agents as guaranteed by the Fourth Amendment.

The Daly City Police Department is charged with protecting these rights. Police action that is biased is unlawful and alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

All employees of the Daly City Police Department are prohibited from taking actions based on actual or perceived personal characteristics, including but not limited to race, color, ethnicity, national origin, age, religion, gender identity or expression, sexual orientation, or mental or physical disability, except when engaging in the investigation of appropriate suspect-specific activity to identify a particular person or group.

Daly City Police personnel must not delay or deny policing services based on an individual's actual or perceived personally-identifying characteristics.

402.3 DEFINITIONS

Racial or Identity Profiling: the consideration of, or reliance on, to any degree, actual or perceived race, color, ethnicity, national origin, age, religion, gender identity or expression, sexual orientation, or mental or physical disability in deciding which persons to subject to a stop or in deciding upon the scope or substance of law enforcement activities following a stop, except that an officer may consider or rely on characteristics listed in a specific suspect description. Such activities include, but are not limited to, traffic or pedestrian stops, or actions taken during a stop, such as asking questions, frisks, consensual and nonconsensual searches of a person or any property, seizing any property, removing vehicle occupants during a traffic stop, issuing a citation, and making an arrest.

Bias-Based Policing: conduct by peace officers motivated, implicitly or explicitly, by the officer's beliefs about someone based on the person's actual or perceived personal characteristics, i.e., race, color, ethnicity, national origin, age, religion, gender identity or expression, sexual orientation, or mental or physical disability.

Implicit Bias: the attitudes or stereotypes that affect a person's understanding, actions, and decisions in an unconscious manner. These biases, which encompass both favorable and unfavorable assessments, are activated involuntarily and without an individual's awareness or intentional control. Implicit biases are different from known biases that individuals may choose to conceal.

Bias by Proxy: when an individual calls/contacts the police and makes false or ill-informed claims of misconduct about persons they dislike or are biased against based on explicit racial and identity profiling or implicit bias. When the police act on a request for service based in unlawful bias, they risk perpetuating the caller's bias. Members should use their critical decision-making skills, drawing upon their training to assess whether there is criminal conduct.

Reasonable Suspicion to Detain: reasonable suspicion is a set of specific facts that would lead a reasonable person to believe that a crime is occurring, had occurred in the past or is about to occur. Reasonable suspicion to detain is also established whenever there is any violation of law. Reasonable suspicion cannot be based solely on a hunch or instinct.

Detention: a seizure of a person by an officer that results from physical restraint, unequivocal verbal commands, or words or conduct by an officer that would result in a reasonable person believing that he or she is not free to leave or otherwise disregard the officer.

Reasonable Suspicion to Conduct a Pat Search: officers are justified in conducting a pat search if officers have a factual basis to suspect that a person is carrying a weapon, dangerous instrument, or an object that can be used as a weapon, or if the person poses a danger to the safety of the officer or others. Officers must be able to articulate specific facts that support an objectively reasonable apprehension of danger under the circumstances and not base their decision to conduct a pat search on any perceived individual characteristics. Reasonable suspicion to conduct a pat search is different than reasonable suspicion to detain. The scope of the pat search is limited

Published with permission by Daly City Police Department

only to a cursory or pat-down search of the outer clothing to locate possible weapons. Once an officer realizes an object is not a weapon or an object that can be used as a weapon, the officer must move on.

Probable Cause to Arrest: under the Fourth Amendment to the United States Constitution, arrests must be supported by probable cause. Probable cause to arrest is a set of specific facts that would lead a reasonable person to objectively believe and strongly suspect that a crime was committed by the person to be arrested.

402.4 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited. Any employee of the Daly City Police Department who has knowledge of, or has any information about, conduct that would amount to a violation of this policy shall immediately report that information to a supervisor.

During a contact, misunderstandings may occur from an officer's failure to explain why contact was made. The officer should inform the subject of the reason for the contact if it will not compromise the safety of officers or other persons or an investigation.

Nothing in this policy shall limit an officer's ability to interview witnesses or discourage routine conversations or consensual contacts with citizens.

Nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

402.4.1 CALIFORNIA RELIGIOUS FREEDOM ACT

Members shall not collect information from a person based on religious belief, practice, affiliation, national origin or ethnicity unless permitted under state or federal law (Government Code § 8310.3).

Members shall not assist federal government authorities (Government Code § 8310.3):

(a) In compiling personal information about a person's religious belief, practice, affiliation, national origin or ethnicity.

(b) By investigating, enforcing or assisting with the investigation or enforcement of any requirement that a person register with the federal government based on religious belief, practice, or affiliation, or national origin or ethnicity.

402.5 COMMUNITY ENCOUNTERS

1. Be courteous, professional, and respectful.
2. Introduce themselves to the community member.

3. State the reason for the stop as soon as practicable, unless providing this information will compromise officer or public safety or a criminal investigation.
4. Answer questions that the individual may have about the stop/contact.
5. Ensure that detention is no longer than necessary to take appropriate action for the known or suspected offense and [agency] member convey the purpose of any reasonable delays.
6. All Daly City personnel, including non-sworn staff, shall not use harassing, intimidating, derogatory, or prejudiced language, including profanity or slurs, particularly when related to an individual's actual or perceived individual characteristics.
7. Sworn personnel shall be aware of and take steps to curb the potential for bias by proxy in a call for service.
8. Officers should draw upon their training and use their critical decision-making skills to assess whether there is criminal conduct and to be aware of implicit bias and bias by proxy when carrying out their duties.
9. All Daly City personnel, including non-sworn personnel, shall aim to build community trust through all actions they take.

402.6 SUPERVISOR RESPONSIBILITIES

Supervisors are responsible for monitoring and examining all areas of police actions and activities under their command to ensure that employees comply with this policy and to ensure that bias-based policing and racial profiling are not practiced.

Supervisors who fail to respond to, document, or review allegations of bias-based policing will be subject to remedial action.

402.7 COMPLAINTS

All reports or complaints of bias-based policing or racial profiling will be documented and investigated.

402.8 TRAINING

Training on fair and objective policing and review of this policy should be conducted as directed by the Training Unit.

(b) Pending participation in such POST-approved training and at all times, all members of this [department/office] are encouraged to familiarize themselves with and consider racial and cultural differences among members of this community.

(c) Each sworn member of this [department/office] who received initial bias-based policing training will thereafter be required to complete an approved refresher course every

five years, or sooner if deemed necessary, in order to keep current with changing racial, identity and cultural trends (Penal Code § 13519.4(i)).

(d) The Daly City Police Department will ensure that, at a minimum, all officers and employees are compliant with requirements regarding bias-free policing training.

(e) Daly City Officers should be mindful of their training on implicit bias and regularly reflect on specific ways their decision-making may be vulnerable to implicit bias.

402.9 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

The Management Control and Audit Manager shall ensure that all data required by the California Department of Justice (DOJ) regarding complaints of racial bias against officers is collected and provided to the Records Supervisor for required reporting to the DOJ (Penal Code § 13012; Penal Code § 13020). (b) An ALPR may be used in conjunction with any routine patrol operation or criminal investigation. Reasonable suspicion or probable cause is not required before using an ALPR.

(c) While an ALPR may be used to canvass license plates around any crime scene, particular consideration should be given to using ALPR-equipped cars to canvass areas around homicides, shootings and other major incidents. Partial license plates reported during major crimes should be entered into the ALPR system in an attempt to identify suspect vehicles.

(d) No member of this department shall operate ALPR equipment or access ALPR data without first completing department-approved training.

(e) No ALPR operator may access department, state or federal data unless otherwise authorized to do so.

(f) If practicable, the officer should verify an ALPR response through the California Law Enforcement Telecommunications System (CLETS) before taking enforcement action that is based solely on an ALPR alert.

457.4 DATA COLLECTION AND RETENTION

The Operations Support Bureau Commander is responsible for ensuring systems and processes are in place for the proper collection and retention of ALPR data. Data will be transferred from vehicles to the designated storage in accordance with department procedures.

All ALPR data downloaded to the server should be stored for a minimum of one year (Government Code § 34090.6) and in accordance with the established records retention schedule. Thereafter, ALPR data should be purged unless it has become, or it is reasonable to believe it will become, evidence in a criminal or civil action or is subject to a discovery request or other lawful action to produce records. In those circumstances the applicable data should be downloaded from the server onto portable media and booked into evidence.

457.5 ACCOUNTABILITY

All data will be closely safeguarded and protected by both procedural and technological means. The Daly City Police Department will observe the following safeguards regarding access to and use of stored data (Civil Code § 1798.90.51; Civil Code § 1798.90.53):

(a) All ALPR data downloaded to the mobile workstation and in storage shall be accessible only through a login/password-protected system capable of documenting all access of information by name, date and time (Civil Code § 1798.90.52).

(c) ALPR system audits should be conducted on a regular basis.

For security or data breaches, see the Records Release and Maintenance Policy.

457.6 RELEASING ALPR DATA

The ALPR data may be shared only with other law enforcement or prosecutorial agencies for official law enforcement purposes or as otherwise permitted by law, using the following procedures:

(a) The agency makes a written request for the ALPR data that includes:

1. The name of the agency.
2. The name of the person requesting.
3. The intended purpose of obtaining the information.

(b) The request is reviewed by the Operations Support Bureau Commander or the authorized designee and approved before the request is fulfilled.

(c) Forwarded to NCRIC for review.

Requests for ALPR data by non-law enforcement or non-prosecutorial agencies will be processed as provided in the Records Maintenance and Release Policy (Civil Code § 1798.90.55).

457.7 POLICE ASSISTANT USE

(a) The primary use for Police Assistants will be using the LPR vehicle to detect and process scofflaw vehicles -or- vehicles with 5 or more delinquent parking citations on file.

(b) The vehicle(s) equipped with an LPR system can be used by any police assistant when that vehicle is not being driven by its assigned driver(s).

(c) The driver(s) of the LPR equipped vehicle(s) must alert the designated boot team of the day whenever they get a hit on a vehicle with 5 or more parking citations. The driver will take note of the location of the hit and the vehicle description, and send it to the boot team promptly via messaging or a phone call; this should be done right away and not held until the end of shift. Although the system tracks all hits/locations throughout the day, the report is not available until the following day from a computer at the station.

(d) A secondary function of the LPR system is that it will detect 10851 stolen vehicles that are in the Stolen Vehicle System database. Police Assistants will follow normal protocol as if they had manually run the license plate via the computer or police radio.

(e) Selection of the LPR equipped vehicle(s) will be done by seniority during the semi-annual watch change, per standard practice.

(f) The LPR equipped vehicle(s) should ot be used for Court Officer duties and other details that involve sitting idle for extended periods of time. Maximum exposure is important to ensure that the department is taking full advantage of this resource.

(g) The LPR vehicle(s) should also be taken to DUI checkpoints where having such a vehicle scanning license plates passing through the screening lane(s) would be beneficial.

457.8 TRAINING

The Training Sergeant should ensure that members receive department-approved training for those authorized to use or access the ALPR system (Civil Code § 1798.90.51; Civil Code § 1798.90.53).

StarChase Pursuit Management System Procedure

405.1 PURPOSE AND SCOPE

This procedure provides direction and operational guidelines for the use of the StarChase Pursuit Managment System. The StarChase system allows an officer to remotely affix a GPS tracking device to a pursued (or about to be pursued) vehicle using an air pressure system to discharge the tracker from the front of the StarChase equipped patrol car. Once the tracker is affixed to the vehicle in question, its location can be tracked by an employee (StarChase Monitor) using a computer with an internet connection.

405.2 OPERATIONAL GUIDELINES

The StarChase system should be used in conjunction with all rules and guidelines as outlined in the Daly City Police Department (DCPD) Policy Manual. The StarChase system shall only be used in situations where it is reasonable to believe that a suspect has committed, is about to commit, or is threatening to commit either:

(a) A felony or

(b) A misdemeanor violation involving a weapon, violence, or risk of serious harm independent of a vehicle pursuit.

For the purpose of clarity of communications, radio traffic should identify the device as "StarChase".

StarChase equipment will only be operated by officers who have been trained in its use. StarChase equipped vehicles will not be assigned to officers who are not trained on its use unless required by exigent circumstances.

When feasible, Officers should receive permission from a supervisor prior to deploying the StarChase tag on a pursued vehicle.

All safety decisions related to the discharge of a StarChase tag shall be evaluated by the operator prior to deployment. While supervisors may direct or approve the deployment of a StarChase equipped patrol car in a pursuit and/or the discharge of a tag, safety decisions related to passing other involved vehicles and the actual discharge of the device will be evaluated by the operator prior to deployment. In accordance with policy, the safety of officers, uninvolved persons, and persons inside the pursued vehicle shall be considered. The following decisions are specifically included:

(a) Whether the officer can safely maneuver close enough to the suspect vehicle to come within targeting range.

(b) Whether the officer can safely pass any other vehicle involved in the pursuit.

(c) Whether any circumstance would indicate the device would not work (e.g. _ weather conditions, suspect vehicle weaving, etc.)

Copyright Lexipol, LLC 2023/06/26, All Rights Reserved.
Published with permission by Daly City Police Department

StarChase equipped patrol cars, with approval from a supervisor, are authorized to respond Code 3 to join a pursuit for the potential use of the device.

Unless directed otherwise, the StarChase equipped vehicle will join the pursuit at the rear of authorized pursuing vehicles until cleared to pass.

Once a StarChase equipped vehicle joins a pursuit, it becomes an authorized unit related to the number of authorized pursuing vehicles.

StarChase equipped vehicles may pass other pursuing vehicles only when deemed safe and only with specific permission from the unit to be passed.

Permission is to be sought and acknowledged one passing at a time. Officers driving the StarChase equipped vehicle will identify which side of the overtaken vehicle they will pass.

StarChase tags will be deployed in accordance with training.

Once the StarChase tag has been successfully deployed, pursuing vehicles should normally drop back significantly from the suspect vehicle.

The StarChase Monitor will be a Dispatcher or StarChase trained operator/supervisor.

Officers will maintain constant communication with the StarChase Monitor for speed/ direction/ location updates of the suspect vehicle.
The Supervisor will coordinate with the StarChase Monitor to direct resources and officers to appropriate locations to apprehend the suspect. The patrol supervisor will dictate who the monitor is based on resources, 'know how', etc...

No officer who is driving a moving patrol car will access the StarChase Monitor data as this creates an unnecessary hazard.

405.3 TACTICAL CONSIDERATIONS

The StarChase tag will not normally be deployed in the following situations unless the suspect poses a substantial risk to the public:

- During heavy rain
- While driving on exceptionally rough terrain
- On a motorcycle
- When pedestrians are between or very near the suspect vehicle and the StarChase equipped vehicle

In addition to the normal pursuit reporting procedures required by policy, Officers who use the StarChase system will report all tag deployments.

405.4 DOCUMENTATION

All deployments of the StarChase system shall be appropriately documented by the officer in the incident report and/or supplemental narrative reports (to include selecting the "STARCHASER"

special circumstance drop-down option in RIMS). The sergeant shall complete the StarChase Deployment Review Form. The form, with all supporting documentation, shall be forwarded to the Field Operations Bureau Captain for review. Once approved, it will be retained in IApro. The form will not be attached to any associated crime report, incident report, or documentation in RIMS.

405.5 PROGRAM OVERSIGHT

The StarChase Pursuit Management System program is managed by the Field Operations Bureau Captain or their designee. The Field Operations Bureau Captain, or their designee, should conduct annual audits of the program to assess its use, effectiveness, and potential improvements to the program and this procedure. Training on this program should be provided to appropriate personnel on an annual basis.

APPENDIX B: Grantee Assurance for Non-Governmental Organizations

The Organized Retail Theft Grant Program Request for Proposals (RFP) includes requirements that apply to non-governmental organizations (NGOs)[1] providing services with grant funds. Grantees are responsible for ensuring that all contracted third parties continually meet these requirements as a condition of receiving funds. The RFP describes these requirements as follows:

Any non-governmental organization that receives Organized Retail Theft Grant Program Grant funds (as either a subgrantee or subcontractor) must:

- Have been duly organized, in existence, and in good standing for at least six (6) months prior to the effective date of its fiscal agreement with the BSCC or with the Organized Retail Theft Grant Program grantee;
    - Non-governmental entities that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the six (6) month date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the start date of the grant agreement with the BSCC or the start date of the grantee subcontractor fiscal agreement;
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid Employer Identification Number (EIN) or Taxpayer ID (if sole proprietorship);
- Have a valid business license, if applicable;
- Have no outstanding civil judgments or liens;
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
- Have a physical address within California. (An agent for service of process with a California address is insufficient.)
