Subject: Purchase Question

Hi Eddie,

One of our grant partners, San Mateo PD, has budgeted for 15 ALPR cameras in the grant. They want to purchase 13 ALPR cameras and 2 PTZ video cameras from Flock Safety. They'll still receive 15 cameras, and this change doesn't exceed the amount they originally budgeted to use for the 15 cameras.

Does this change in camera type require any sort of modification or approval? If not, we'll send over their purchase request for your review.

Please let me know if you have any questions or need more information.

Thank you, and have a great weekend!

Thank you,

Trent Waterman

Re: Purchase Declaration for Purchase of Flock ALPR Cameras

To Whom it May Concern;

This letter serves to provide a purchase declaration from the San Mateo Police Department for our intended purchase of 15 Flock ALPR cameras as part of the Organized Retail Theft Program grant. These cameras will be used for services directly associated with the BSCC Organized Retail Theft Grant project, and they are essential to the success of our BSCC Organized Retail Theft Grant project.
