Re: The Organized Retail Theft Prevention Grant Program

Date: June 28, 2023

This letter is being submitted to document that San Bruno Police Department agrees to partner on the Organized Retail Theft Prevention Grant Program proposal being submitted by Daly City Police Department.

As a part of this grant, San Bruno Police Department agrees to heighten efforts to address retail and vehicle theft across partnering agencies' jurisdictions, sharing data with Daly City Police Department and San Mateo Police Department to better coordinate efforts. San Bruno PD will participate in retail Zero Tolerance Days identified by Daly City Police Department and work to coordinate responses to retail and vehicle/accessory theft.

The San Bruno Police Department is not debarred in participating in BSCC grants.

The San Bruno Police Department enthusiastically supports these efforts to reduce retail and vehicle theft in the community, where rising rates continue to threaten the safety and well-being of residents.
