Dear BSCC,

We are requesting to purchase a new video wall processor from Young Electric for our Real Time Intelligence Center. The one purchased previously by Young Electric will be replaced with this higher resolution unit which will directly assist with our effort to combat organized retail theft, motor vehicle theft, and motor vehicle accessory theft. We certify:

1. The video wall proceessor will be used for services directly associated with the BSCC Organized Retail Theft Grant Project.
2. The video wall processor is essential to the success of our BSCC Organized Retail Theft Prevention Grant Project.
3. The video wall processor is being purchased, as leasing is not an option.

Best Regards,

Ignacio Reyes
