PUBLIC COMMENT

Ronald Guillen raised concerns regarding alleged unpermitted construction and safety issues at 2910 Edison Street and requested City enforcement and inspection. Kevin Simpson thanked the Police Department and City staff for efforts that substantially reduced illegal fireworks activity on July 4. Donovan Kenway commented on local public safety and community issues. Lisa Taner addressed the Council regarding community concerns. Mei Li raised concerns regarding alleged radio-frequency exposure and related personal safety issues. TJ addressed the Council regarding a community matter. Jordan Grimes commented on local housing and community issues. Madeline raised concerns and asked the City to consider follow-up on the matter she presented. Eric Dodge urged the City to evaluate potential impacts of a proposed data center at the San Mateo County Event Center and consider proactive land-use action. Charmaine also provided general public comment.

PUBLIC HEARING

21. Appeal of a Planning Commission Approval of a New Six-Story Multifamily Residential Development — Adoption
Community Development staff presented the appeal of the Planning Commission's approval of a six-story, 181-unit residential development on North San Mateo Drive and reviewed the project, applicable state housing law, the appeal points, environmental review, parking, access, and conditions of approval. The appellant Steve Carlson, the project applicant, Don Peterson with Promethesus Real Estate, and architect Jeff Gibson addressed the Council.

Public comment: Cindy Skelton opposed the project and described concerns regarding neighborhood compatibility, parking, traffic, construction, garbage collection, and potential adverse impacts. Jordan Grimes

supported the project and emphasized the need for housing and the application of state housing law. Max Mautner supported the project while requesting attention to SamTrans operations, residential parking permits, and pedestrian and bicycle safety in the area.
The City Council adopted a resolution denying the appeal and upholding the Planning Commission's approval of the site plan and architectural review, site development planning application, and vesting tentative parcel map for the 181-unit project, and found the project exempt from further CEQA review pursuant to applicable state law, subject to the conditions of approval.
