

Sparks Police Department - NV Transparency Portal

Last updated: Thu Jul 16 2026

OVERVIEW

Sparks Police Department uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Sparks Police Department utilizes retroactive search to solve crimes after they've occurred. Additionally, Sparks Police Department utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
