RE: PUBLIC RECORDS REQUEST of October 15, 2026, **Reference # W013663-101526**

Dear Brian C,

The City received the following records request from you on October 15, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920.000 et seq.), I request copies of the following records.

As you are aware, the San Mateo Police Department gave a presentation at the City Council's October 5, 2026 special meeting (Item 1, File ID 26-12644, "San Mateo Police Department Real Time Information Center — Presentation"), and the presentation can be seen in the City's video of that meeting. The meeting's PrimeGov page lists only the one-page agenda report, which states "Attachments: None." No copy of the presentation has been posted there.

1. The presentation displayed during that item, in the electronic format in which the City holds it (for example, the PowerPoint .pptx file), including all embedded images, video and audio.

2. Each video or audio file played during the presentation, including any drone (unmanned aircraft system) footage, in the electronic format in which the City holds it, whether the file was embedded in the presentation or played separately. If any video was played from a web link, please provide the link as well as the file.

If a PDF copy of the presentation also exists, please include it as well, but not in place of the native files above, because a PDF does not preserve embedded video.

If any portion of these records is withheld or redacted, please identify the specific legal authority for each withholding and release all reasonably segregable portions.

Electronic delivery through the portal is preferred.

Thank you,
Brian C
