Last updated: Sat May 23 2026

OVERVIEW

The Pacifica Police Department uses Flock Safety's Operating System to capture objective evidence without compromising on individual privacy. Pacifica PD utilizes retroactive search to solve crimes after they've occurred. Additionally, Pacifica PD utilizes real-time alerting of hotlist vehicles to capture wanted criminals. In an effort to be open with the public to demonstrate our proper usage and communicate what guardrails are in place, we have made the below policies and usage statistics available to the public.
