

Dixon CA PD Transparency Portal

Last updated: Sun Jul 05 2026

OVERVIEW

Dixon Police Department uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Dixon Police Department utilizes retroactive searches to solve crimes after they've occurred. Additionally, Dixon Police Department utilizes real-time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
