

Madera CA PD Transparency Portal

Last updated: Thu May 07 2026

OVERVIEW

Madera CA PD uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Madera CA PD utilizes retroactive search to solve crimes after they've occurred. Additionally, Madera CA PD utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
