RE: PUBLIC RECORDS REQUEST of August 17, 2026, **Reference # W013260-081726**

Dear Brian C,

The City received the following records request from you on August 17, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920.000 et seq.), I request the following records from the San Mateo Police Department. This request seeks existing records only (Gov. Code § 7922.530; Sierra Club v. Superior Court (2013) 57 Cal.4th 157).

Context

As you are aware, SMPD Policy 463, section 463.10 (ALPR Data Search Audits, effective December 22, 2025, produced under W012666-050426) provides: "It is the responsibility of the ALPR Committee Captain or the authorized designee to ensure an audit is conducted of ALPR data searches at least monthly for internal ALPR users and quarterly for external CA public agency users. The audit shall be documented in the form of an internal department memorandum to the Chief of Police. The memorandum shall include any data errors found so any such errors can be corrected. After review by the Chief of Police, the memorandum and any associated documentation shall be filed and retained."

In response to W012461-040226 (closed April 8, 2026), which requested quarterly external audit memoranda produced under Policy 463.10, the Department produced four monthly audit memoranda covering December 2025 through March 2026 and stated "We have no additional records." Since that response, more than two full quarterly periods have elapsed under any quarterly schedule — whether measured as calendar quarters or from the policy's December 22, 2025 effective date. Policy 463.10 does not define the quarterly schedule, so this request is framed to cover whichever schedule the Department applies.

Records requested — covering December 22, 2025 through the date of production:

- 1. Each memorandum to the Chief of Police documenting a quarterly audit of ALPR data searches by external CA public agency users under Policy 463.10, for each quarterly period that has ended since December 22, 2025 under the quarterly schedule the Department applies — whether calendar quarters, quarters measured from the policy's effective date, City fiscal-year quarters, or another schedule.*
- 2. Any record establishing or describing the quarterly schedule or audit calendar applied under Policy 463.10 — for example, an audit calendar, scheduling or tasking record, or assignment to the ALPR Committee Captain or an authorized designee.*
- 3. For each audit in item 1, the record identifying the external CA public agencies whose searches were reviewed, including any list of the Department's network-sharing partners in effect during the audited period.*

4. For each audit in item 1, records sufficient to identify the "associated documentation" filed and retained under Policy 463.10 — for example, the file names, export or report dates, covering date ranges, and source platform of the platform exports, network audit reports, or search logs the auditor reviewed. This item seeks identification of the retained documentation, not production of the underlying exports themselves.

5. Records reflecting the Chief of Police's review of each item 1 memorandum and its subsequent filing and retention, with dates. This item seeks transmittal, routing, review, or filing records associated with the memoranda themselves; it does not ask for review of any general email corpus.

If no records are located for any individual item, please respond to that item separately and continue processing the remaining items.

If the Department contends that any monthly audit memorandum constitutes a quarterly external audit under Policy 463.10, please identify which memorandum constitutes the quarterly external audit for each closed quarterly period, and identify the portions of that memorandum reflecting the external scope of the audit — the external agencies reviewed and the searches examined.

If the Department contends that no quarterly period has yet closed under its schedule, please identify the schedule applied and the end date of the first quarterly period.

Each item is severable. If any single item requires additional processing time, please respond to the remaining items on the statutory timeline rather than extending the request as a whole.

If any portion is denied, please provide specific exemption citations per Gov. Code § 7922.540 and identify the withheld record type and volume. Exact copies of existing records are requested per Gov. Code § 7922.530(a); this request does not ask the Department to create any record that does not exist — where none exists, a statement to that effect is requested.

Thank you.

We have made a good faith and diligent effort to complete your request, in which responsive records have been collected. Please see the attached letter for the complete response to your request. Identified releasable records are available on the San Mateo Records Request Portal. Select the link below to view.

The City has completed its response to your request and now considers this record request **W013260-081726** closed.
