Sex offender arrested after alleged lewd act in public and flashing a fake firearm in Marina

MARINA, Calif. (KION-TV)- Marina Police said a man was arrested after allegedly committing a lewd act in public in front of a business along the 200 block of Reservation Road over the weekend. This all happened around 8:17 p.m. on Sunday. Police said the victim's boyfriend confronted the suspect and the suspect flashed what looked like a firearm. The boyfriend backed away and the police were called. The suspect, later identified as Joseph Connor, 61, of Fairfield, left the scene. Police said they obtained photos of the suspect and his vehicle. The vehicle was then spotted the following morning by a Salinas Police FLOCK camera. Salinas Police then found Connors on the 700 block of East Street at around 11:15 a.m.

Marina Police arrived after Connors was detained. A search of his vehicle revealed an imitation firearm, said police. The suspect was booked into Monterey County Jail for lewd acts in public and exhibiting an imitation firearm, said police.

Myth vs. Fact

Myth

Flock has been hacked.

Fact

Flock's cloud environment has never been breached. Flock invests in a strong security posture, including adhering to NDAA, SOC2 (Type II), ISO 27001, ISO 27018 FedRAMP 20x, and Higher Education Community Vendor Assessment Tool (HECVAT) compliance. Additional security precautions include Role-Based Access Controls, data encrypted at-rest and in transit, required

Myth

Flock sells and/or shares customer data.

Fact

Your community owns 100% of your data and it will never be sold. Only your agency decides who to share your data with, not Flock. Flock Safety does not publicly release agency search data. Flock does not operate or support any public-facing searchable database of law enforcement lookups, and we do not provide license plate search histories to websites or third parties without the

Multi-Factor Authentication, and regular penetration testing.

agency's knowledge and authorization. Other agencies who you share footage with have been responding to FOIA requests and sharing this search data.

Myth

My data is fed into a national database.

Fact

Each agency controls access to its own data. Agencies may choose to share information through a broader network, but nothing is shared automatically. Participation is opt-in, governed by defined agreements, and limited to lawful investigative purposes.

Myth

Flock cameras use facial recognition.

Fact

Flock cameras do not use facial recognition technology. Searches are based on vehicle characteristics, and not identity. Flock cannot recognize, identify, or track individuals. It is purpose built for specific public safety investigations, not to monitor people.
