

Lodi CA PD Transparency Portal

Last updated: Tue Jun 16 2026

OVERVIEW

Lodi CA PD uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Lodi CA PD utilizes retroactive search to solve crimes after they've occurred. Additionally, Lodi CA PD utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
