

ALPR Data Sharing Agreement

The California Highway Patrol has requested access to data generated by the San Mateo Police Department's Automated License Plate Recognition (ALPR) system.

Per this agreement, ALPR data shared by the San Mateo Police Department will be accessed for legitimate law enforcement or public safety purposes only; and used and shared in a manner consistent with applicable law, including but not limited to:

- California Civil Code § 1798.90.5 et seq., (Collection of License Plate Information)
- Government Code § 7284 et seq. (California Values Act)

The California Highway Patrol has a process for periodic system audits, designed to monitor the security of the ALPR information accessed or used, and its compliance with applicable law.

Agreed on behalf of the California Highway Patrol.
