RE: Public Records Act Request #W013261-081726

Dear Brian:

In accordance with Government Code § 7922.525, a legal review of your request has been completed. Any redactions or exemptions cited in the Department's response have been reviewed and authorized by the signatory of this letter.

This letter responds to your California Public Records Act ("CPRA") request dated August 18, 2026, submitted under Reference No. W013262-081726, in which you requested the following records covering December 22, 2025, through the date of production:

1. The names and titles or positions of each person responsible for the denial of PRA W013113-072526, of PRA W013137-072926, and of item 3 of PRA W012665-050426, as set forth in Government Code section 7922.540(b), together with any record identifying the person or persons who made the determination to deny each request.

Department Response:

The signatory was identified in the message section of the GovQA portal but was inadvertently omitted from the response letter. As reflected in the message section of the PRA request, the individual responsible for the response was Juliana Santiago, Management Analyst for the Department.

2. For the period July 20, 2026 through the date of production, the Flock platform event log for the Department's account, limited to report generation, audit export, network-audit, and search-audit query events, in the native export format in which Flock provides it. This is the record type the Department obtained and produced under W012570-041926; this item seeks the same record type for the stated period and event scope.

Department Response:

See attached documents.

3. Records reflecting the routing of W013113-072526 and W013137-072926 for the legal review described in the August 4, 2026 response letter — transmittal, assignment, tasking, or routing records between Police Department staff and the City Attorney's Office, and the return of each review to the Department, with dates. This item seeks the routing and transmittal records themselves; it does not seek the content of any legal advice.

Department Response:

Your request for records relating to routing for legal review has been denied. California Government Code § 7927.705 exempts records protected by privileges under the Evidence Code. This includes attorney-client privileged communications pursuant to California Evidence Code section 954.

Work Product Privilege:

California Government Code section 7927.705 exempts records protected by privileges under the Evidence Code or any state other law. Therefore, the records requested are exempt from disclosure pursuant to Evidence Code section 954 and CCP section 2018.030.

4. Any record created in the course of responding to W013113-072526 or W013137-072926 that identifies which fields, portions, or categories of the requested audit entries were considered for release or for redaction — for example, a review worksheet, redaction log, field-by-field notation, marked-up export, or exemption index. This item seeks the record itself, not a narrative description of any analysis.

Department Response:

No responsive records.

5. If any record responsive to item 3 or item 4 is withheld on the basis of attorney-client privilege or attorney work product, an index identifying each withheld record by date, author, recipient, and record type, and the specific privilege asserted for each.

Department Response:

Your request for an index of materials protected by attorney-client privilege has been denied. California Government Code § 7927.705 exempts records protected by privileges under the Evidence Code. This includes attorney-client privileged communications pursuant to California Evidence Code section 954.

Work Product Privilege

California Government Code section 7927.705 exempts records protected by privileges under the Evidence Code or any state other law. Therefore, the records requested are exempt from disclosure pursuant to Evidence Code section 954 and CCP section 2018.030.
