Subject: August 20 Candidate Briefing – Department Presentations
Importance: High

Good morning, all,

As you may know, we are currently in the nomination period for the November 3, 2026 General Municipal Election. You should have a calendar hold for our Candidate Briefing on **Thursday, August 20, at 6:00 p.m.**, when we will welcome candidates for City Council Districts 1, 3, and 5 for an overview of City operations, priorities, and key initiatives.

As part of this year's briefing, we are asking each department to prepare a brief PowerPoint presentation of no more than 4–5 slides. Please feel free to repurpose key slides from your City Services Academy presentation and include one or two slides highlighting current priorities, key initiatives, and significant program updates that would be helpful for candidates to understand when speaking with residents.

Action requested: Please upload your department's slides to the ☐ [Candidate Briefing folder](#) or email them directly to me by close of business on **Friday, August 14**.

For your reference, I have also included a link to the 2024 Candidate Briefing presentation below:

Thank you in advance for your support and assistance in helping us provide candidates with a helpful and informative overview of City operations.

Best wishes,
Martin
