Fact

Your community owns 100% of your data and it will never be sold. Only your agency decides who to share your data with, not Flock. Flock Safety does not publicly release agency search data. Flock does not operate or support any public-facing searchable database of law enforcement lookups, and we do not provide license plate search histories to websites or third parties without the agency's knowledge and authorization. Other agencies who you share footage with have been responding to FOIA requests and sharing this search data.

Myth

Flock cameras use facial recognition.

Fact

Flock cameras do not use facial recognition technology. Searches are based on vehicle characteristics, and not identity. Flock cannot recognize, identify, or track individuals. It is purpose built for specific public safety investigations, not to monitor people.
