Subject: [Live Webinar] Deter Crime with a Virtual Perimeter
From: Maureen Mulvaney <maureen.mulvaney@flocksafety.com >
To: Mark Garcia <mgarcia@cityofsanmateo.org >;

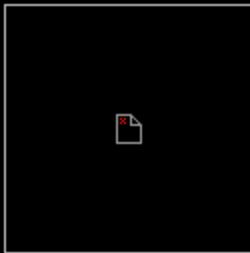

Join us on [Wednesday, November 2nd, at 2 PM ET / 11 AM PT](#) to learn how preventing common crimes like catalytic converter theft, vandalism, and assault starts by securing parking lots in your community with ALPR.

During this webinar, you'll learn how to:

- Build a cost-effective virtual perimeter with ALPR that deters crime
- Alert authorities to parking lot crimes in real-time
- Bolster investigations and increase conviction rates with vehicular evidence

Hope to see you there!
