Subject: California Public Records Request :: W013837-110926
Body:
RE: PUBLIC RECORDS REQUEST of November 09, 2026, **Reference # W013837-110926**

Dear Brian C,

The City received the following records request on November 09, 2026.

As you are aware, on October 5, 2026 the City Council approved Amendment No. 1 to the City's Master Services and Purchasing Agreement with Axon Enterprise, Inc. (File 26-11633), which adds Axon Quote Q-865809-009 as Exhibit D for Axon Outpost license plate reader cameras. As you are also aware, the Department released its Flock camera location spreadsheet in response to request W012201-022326.

I request the following records relating to the Outpost cameras under Exhibit D, from January 1, 2026 through the date of the search:

1. Any list, spreadsheet, map or other record of the installation sites proposed, selected, assessed or approved for the Outpost cameras. Section 3 of the Outpost Statement of Work refers to "location sites approved by Axon."

2. Any site assessment or site walk report for those sites, including reports of the kind described in Statement of Work Sections 4.1 and 4.1.2.

3. Any installation schedule, deployment plan, project plan or timeline for the Outpost cameras, whether received from Axon or prepared by the City.

4. Delivery and receiving records for hardware shipped under Q-865809-009, including packing lists, bills of lading, delivery confirmations and any City receiving record. The quote lists an estimated shipping date of October 15, 2026 to 200 Franklin Pkwy.

This request is for documents and does not ask for an email search. Where a responsive document exists only as an email attachment, the attachment alone is enough. If the Department withholds any site location, please identify the legal authority for each withheld portion and release the rest.

A good faith and diligent search yielded no records responsive to your request.

The City has completed its response to your request and we now consider this record request W013837-110926 closed. If you have any questions, or would like to submit a new request for records, please contact the City.

If you have any questions, please contact me using the below contact information.
