Subject: California Public Records Request :: W012807-052826

Body:

RE: PUBLIC RECORDS REQUEST of May 28, 2026, **Reference # W012807-052826**

Dear Brian C,

The City received the following records request on May 28, 2026.

Reference: This request follows up on W012666-050426, which the Department closed by directing me to the Policy and Oversight webpage. That page does not identify a specific policy section responsive to my original question.

Request: As you are aware, Policy 463 (Automated License Plate Readers) imposes audit and review obligations on the Department — including, but not limited to, the periodic audit requirements in § 463.10 and the supervisory review of ALPR system use and data access. Please identify the specific policy or SOP section(s) — by number and title — that address each of the following:

- 1. the Department's procedure when a required Policy 463 audit is not performed within the timeframe the policy specifies;*
- 2. the Department's procedure when a required Policy 463 audit is performed but is later determined to have omitted required scope (for example, a category of data access or sharing that should have been reviewed but was not).*

If no written policy or SOP addresses one or both of these categories, please confirm so in your response.

A good faith and diligent search yielded no records responsive to your request.

As stated under #W012666-050426, Department policies are publicly available via the Department's website at [Policy and Oversight | San Mateo, CA - Official Website](#). The Department's Standards of Conduct can be viewed under Policy 340.

The City has completed its response to your request and we now consider this record request W012807-052826 closed. If you have any questions, or would like to submit a new request for records, please contact the City.

If you have any questions, please contact me using the below contact information.
