

Union City CA PD Transparency Portal

Last updated: Wed Apr 29 2026

OVERVIEW

Union City California Police Department uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Union City California Police Department utilizes retroactive search to solve crimes after they've occurred. Additionally, Union City California Police Department utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
