If we sign this, we are agreeing to a multi year contract.
We start paying in June of 2028.
Last payment due June 2034.

I can't find anything that says we can terminate for convenience at all.

The quote indicates it is conditional upon the terms Axon's generic MSPA – those terms allow for termination for breach; or if sufficient funds are not allocated for the purchase.

If they have indicated their intention was to allow us the option to terminate for convenience, at any time, I recommend we ask that they clearly state that in these documents.

Hi Lt Riccardi,

Please see updated quote attached - this is good through 9/29. We did get a new quoting system so it looks a little different but pricing reflects exactly as it did on the last quote.

Also, attached is a sample "council education session" we are doing for Richmond PD. We would love to do something like this for you guys as well if Chief Barberini is aligned that it would be helpful.

Thank you!
Tierney
