Tierney, can you please look at the highlighted sections of the quote where it specifies different quantities of cameras (46, 54 and 55 under the refresh) and let me know why the quantities are different than 45?? Thanks

Anthony

Hi Tierney,
I just got the green light from the City Attorney.
We can treat these changes as the final version and will proceed to City Council on 10/5.
If you can please send over an updated quote with an expiration data after 10/5, I will insert it into the document and save as a PDF to finalize.
Thanks,
Tricia

Hi Tierney,
We had a chance to review the proposed changes and would like to add language to clarify that Axon will install the Outpost devices, and that the costs for that are included.
Please see the proposed changes on the attached and let me know if this will be acceptable.
Thank you,
Tricia

Hi Tierney,
In the event changes are needed, we would need to get concurrence by all parties by Thursday 9/17 in order to hit the 10/5 Council Agenda.
Thanks,

Hi Tricia,

Thank you for sending - I have submitted this to our legal team to review and we will update the quote expiration. Is there a deadline for when you need this back to submit to the 10/5 agenda?

Thank you,
Tierney
