

Grass Valley CA PD Transparency Portal

Last updated: Wed May 06 2026

OVERVIEW

Grass Valley California Police Department uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Grass Valley CA PD utilizes retroactive search to solve crimes after they've occurred. Additionally, the Grass Valley California Police Department utilizes real-time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the policies and usage statistics available to the public.
