Per your ALPR Policy can you tell me what you guys do for your monthly and quarterly audits of Flock?

463.10 ALPR DATA SEARCH AUDITS

It is the responsibility of the ALPR Committee Captain or the authorized designee to ensure an audit is conducted of ALPR data searches at least monthly for internal ALPR users and quarterly for external CA public agency users. The audit shall be documented in the form of an internal department memorandum to the Chief of Police. The memorandum shall include any data errors found so any such errors can be corrected. After review by the Chief of Police, the memorandum and any associated documentation shall be filed and retained.

Steve, we are trying to search your cameras for a vehicle, and we can't see any of them anymore. We can still see belmont's and the surrounding agencies. Your agency is not showing up in the map of agencies

Flock won't update the policy on their internal website, so we have it on this landing page where we answer all the questions about ALPRs

Subject: Transparency Portal Question

Hi Mark,

As part of the Grand Jury report, we are going to be updating some language in our policy about ALPR sharing. The language will include that I verify each agency we share with has their ALPR policy available to the public via their transparency portal. I just checked yours and I see the link, but when I click on it I am unable to bring up your ALPR policy. Is that an error or do you not have your ALPR policy available to the public?

Please let me know.

Thanks,

Lieutenant Steve Casazza
