Good afternoon,

In advance of tomorrow evening's Candidate Briefing in Council Chambers at 6 p.m. I've attached the presentation for your reference. Thank you for submitting your slides. The presentation reflects the order of speakers and will provide a sense of how the evening will flow.

Given the amount of content we have to cover, we intend to take questions at the conclusion of each department's presentation before moving on to the next topic.

If you are unable to attend tomorrow evening, at your earliest opportunity, please let me know and provide the name of the staff member who will be presenting on your behalf so we can plan accordingly.

As a separate update, our City Council Candidates webpage has been updated to include the list of candidates running for office in the November election. Please share the page with your teams for general awareness:

Thank you all for your participation and support with tomorrow evening's briefing. Please let me know if you have any questions in advance.

Best,
Martin
