

NCRIC Transparency Portal

Last updated: Wed Jun 03 2026

OVERVIEW

draft version The Northern California Regional Intelligence Center (NCRIC) is a multi-jurisdiction government program that serves fifteen counties in Northern California. Our mission is to enhance public safety by supporting collaboration and cooperation among the numerous state and local law enforcement agencies in our area of responsibility.

POLICIES

What's Detected

Vehicles, License Plates

What's Not Detected

Facial Recognition, People, Gender, Race

Restrictions on Deployment

Cameras are only deployed to collect data in public view, and never for the sole purpose of monitoring activities protected by the First Amendment.

Sharing with Partners

NCRIC may only share, disseminate, or provide access to ALPR information to other California state or local law enforcement agencies.

Sharing Restrictions

The NCRIC will not share, disseminate, or sell any law enforcement data to law enforcement agencies outside California, federal law enforcement, any private entities or individuals, or any organization whatsoever for purposes related to immigration enforcement.
