New Flock Cameras Shared

Great News! Covina CA PD has just shared their cameras with San Mateo CA PD, granting you and your organization the ability to search footage from their Flock Safety cameras.

ADD CAMERAS

In order for users in your organization to access footage from these cameras, you or another administrator must add the network to your roles:

1. Open **Organization Management**
2. Click on the **Roles** tab
3. Click on the “**triple dots**” next to the role(s) you want to provide access to and select **Edit**
4. Click on the **Networks** drop down and select the network(s) you'd like to add to the role
5. Click **Save** and repeat for other roles as desired
