

Des Moines WA PD Transparency Portal

Last updated: Wed Jun 10 2026

OVERVIEW

Des Moines WA PD uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Des Moines WA PD utilizes retroactive search to solve crimes after they've occurred. Additionally, Des Moines WA PD utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.

ADDITIONAL INFO

Des Moines LPR Policy: Purpose and Scope

Automated License Plate Reader (ALPR) technology, also known as License Plate Recognition, provides automated detection of license plates. ALPR is used by the Des Moines Police Department to convert data associated with vehicle license plates for official law enforcement purposes, including identifying stolen or wanted vehicles, stolen license plates and missing persons.
