Subject: California Public Records Request :: W012693-050726

RE: PUBLIC RECORDS REQUEST of May 07, 2026, **Reference # W012693-050726**

Dear Brian C,

The City received the following records request from you on May 07, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920 et seq.), I request the following records.

Purpose: This request seeks records reflecting how the Department handled my requests to (a) deprioritize PRA W012462-040226 and (b) close it, and the Department's use of W012462-040226 as a basis for deferring response to my other open PRAs in the period surrounding each request.

*1. The Department's record(s) of my email of May 6, 2026 to Chief Ed Barberini requesting that PRA W012462-040226 be deprioritized in favor of my other open PRAs — including any internal acknowledgment, forwarding, or routing of that email within the Department. **Responsive***

2. Any internal Department records — including emails, memoranda, notes, PRA tracking system entries, or status notes — reflecting the Department's use of PRA W012462-040226 as a basis for deferring, delaying, postponing, or closing response to any of my other open PRAs, between April 2, 2026 and the present. Specifically responsive examples include but are not limited to:

(a) The closure of W012297-030826 into W012462-040226 on 5/6/2026 — and as you are aware, Items 4, 5, and 6 of W012297 (internal legal analysis, SMPD-to-Flock outbound emails, and internal policy/procedure documents) are categorically incapable of being satisfied by an inbound-only @flocksafety.com email corpus.

(b) The extension of W012373-032026 (pre-MSA Flock contract and deployment authorization records) into the rolling email-search framing on 5/6/2026 at 4:41 PM — as you are aware, after my email to the Chief earlier that day requesting deprioritization of W012462-040226.

(c) The extension of W012459-040226 (records of the Council-requested 2020 ALPR/sUAS report-back) into the same rolling email-search framing on 5/6/2026 at 5:04 PM — as you are aware, also after the same deprioritization email.

We are reaching out to inform you that a legal review of your request was completed by our City Attorney's office, in accordance with Government Code § 7922.525(b). During this review, it was determined that a portion of the records you have requested are exempt from disclosure as determined by the following Public Records Act exemptions:

Your request for documents related to legal review has been denied. California Government Code § 7927.705 exempts records protected by privileges under the Evidence Code. This includes attorney-client

privileged communications pursuant to California Evidence Code section 954.

3. *The Department's record(s) of my portal correspondence of May 7, 2026 requesting that PRA W012462-040226 be closed — including any internal acknowledgment, processing notes, or status updates following that request. **Responsive***

4. *Any internal Department records — including emails, memoranda, notes, PRA tracking system entries, or status notes — reflecting the Department's continued deferral of any of my other open PRAs to W012462-040226 on or after the date of my closure request — as you are aware, that closure request was made via the W012462-040226 portal on May 7, 2026. **No responsive records.***

This request seeks existing records only (Gov. Code § 7922.530; Sierra Club v. Superior Court (2013) 57 Cal.4th 157).

Search scope note. The following are not responsive to this request: records produced or to be produced under PRA W012462-040226 itself (i.e., Flock vendor emails); and records substantively relating to the content of any of my other open PRAs.

Items 1 and 3 may be satisfied through portal correspondence records, the Department's PRA tracking system, or staff email archives. Items 2 and 4 seek internal Department records reflecting the deferral decisions themselves.

Anticipated exemption issues.

Gov. Code § 7923.600 (investigation records). The records requested are administrative records of PRA-handling decisions — not records of any law enforcement investigation.

Deliberative process. PRA processing decisions, internal routing, and queue-management notes are operational records, not pre-decisional policy deliberations.

Gov. Code § 7927.700 (personnel privacy). Names of staff involved in PRA-handling decisions are not personnel records.

Independence from PRA W012462-040226. None of the records sought by this request are emails from Flock Safety. They are internal Department records — administrative correspondence, PRA tracking notes, and internal routing decisions — and therefore are not within the scope of W012462-040226 (now withdrawn). This request should be processed independently of W012462-040226 and on its own timeline.

If any portion of any item is withheld, please produce all reasonably segregable non-exempt portions (Gov. Code § 7922.525(b)) and identify each withheld record with a specific exemption citation per § 7922.540.

If no records exist for any individual item, please respond to that item separately and continue processing the remaining items.

We have made a good faith and diligent effort to complete your request, in which responsive records have been

collected. These records are available on the San Mateo Records Request Portal. Select the link below to view.

The City has completed its response to your request and now considers this record request
