Subject: RE: Line Item and Budget Modification Request

Hi Eddie,
Hope your week is going well. We wanted to touch base to see if anything else is needed for this modification request please. In addition to below mentioned priorities, we were hoping the language in the modification would allow us to conduct 8 days of activities to include a combination of ORTTF deployment days/blitz days, plain clothes operations, and investigative days as needed? If you would like a quick video call if that would help, we would be more than happy to discuss.

Best Regards,
Judy

Subject: Line Item and Budget Modification Request

Hi Eddie,
Hope this message finds you well! Our Line Item and Budget modification request is attached for your consideration please.

Primarily, for all 3 agencies, we would like to request a change to the Overtime-Organized Retail Theft Task Force (ORTTF) to include trainings, investigations, and other related activities, such as plain clothes operations. Additionally, for Daly City, we would like to request to use our overtime for details to monitor merchandise with trackers placed in our bait car in hopes to identify fencing operations.

Daly City is also requesting an expansion of the Administrative Assistant's role to include general grant support for ORTTF deployments, training, investigations, and other related activities, in addition to data compilation.

For San Bruno and San Mateo, they would like to request funding for a dispatcher during ORTTF deployments, trainings, investigations, and other related activities.

Thank you in advance for reviewing our request and please let us know if you need anything else.

Best Regards,
Judy

DALY CITY

Line-Item Change

1. We are requesting to make a Line-Item Detail Change within the Overtime Line – Daly City (Organized Retail Theft Task Force) Line Item under Salaries and Benefits.

   Overtime Line – Daly City (Organized Retail Theft Task Force) - We are requesting to replace the description listed on the narrative with *Overtime or Straight Time – Daly City: Lieutenant(s), Sergeant(s), and Officer(s) based on available personnel and the needs for Organized Retail Theft Task Force (**ORTTF) deployments, trainings, investigations, and other related activities**.*

   We would like to request a line-item change for hourly rates and benefits per position to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

   For FY24 through FY27:

   Officer OT or Straight Time: up to $150/hour + actual benefits
   Sergeant OT or Straight Time: up to $186/hour + actual benefits
   Lieutenant OT or Straight Time: up to $216/hour + actual benefits

2. We are requesting to make a Line-Item Detail Change within the Overtime Line – Daly City (MVT and MVAT Details) Line Item under Salaries and Benefits.

   Overtime Line – Daly City (MVT and MVAT Details) – We are requesting to replace the description listed on the narrative with *Overtime or Straight Time – Daly City: Lieutenant(s), Sergeant(s), and Officer(s) based on available personnel and the needs for* Motor Vehicle Theft (MVT) and Motor Vehicle Accessory Theft (MVAT) ***details, trainings, investigations, and other related activities**.*

   We would like to request a line-item change for hourly rates and benefits per position to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

   For FY24 through FY27:

   Officer OT or Straight Time: up to $150/hour + actual benefits
   Sergeant OT or Straight Time: up to $186/hour + actual benefits
   Lieutenant OT or Straight Time: up to $216/hour + actual benefits

3. We are requesting to make a Line-Item Detail Change within the Overtime – Daly City (Data Compilation) Line Item under Salaries and Benefits.

   Overtime – Daly City (Data Compilation) - We are requesting to replace the description listed on the narrative with *Overtime or Straight Time – Daly City (General Grant Support) for the Administrative Assistant position to support data compilation and **ORTTF deployments, trainings, investigations, and other related activities**.*

We would also like to request a line-item change for hourly rates and benefits for the Administrative Assistant position to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

For FY24 through FY27:

Administrative Assistant OT or Straight Time: up to $119/hour + actual benefits

4. We are requesting to make a Line-Item Detail Change within the Hourly Management Analyst Line Item under Salaries and Benefits.

   We would like to request a line-item change for hourly rates and benefits for the Hourly Management Analyst position for Daly City to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

   For FY24 through FY27:

   Hourly Management Analyst: up to $70.71/hour + actual benefits

5. We are requesting to make a Line-Item Detail Change within the 3SI Tracking Devices – Daly City Line Item under Equipment/Fixed Assets.

   3SI Tracking Devices – Daly City - We are requesting to replace the description listed on the narrative with *Tracking Devices – Daly City: Tracking devices will prevent MVT and MVAT, being placed within bait car catalytic converter as well as merchandise in plain view in the vehicle.*

Budget Mod

1. We have realized a savings of $ 90,376 in the base compensation for the Community Services Officer (CSO) position in the Salaries and Benefits category due to a hiring delay.

   We would like to move the amount of $90,376 to Salaries and Benefits for overtime pay for our CSO positions (one funded by the ORT grant; two funded using different resources) for training, additional assistance during ORTTF deployments and MVT/MVAT details, as well as documentation and investigation of ORT, MVT, and MVAT, and perform other related activities.

2. We have realized a savings of $85,540 in overtime pay for MVT and MVAT details in the Salaries and Benefits category due to the projected overtime costs for Year 1 of the grant cycle being lower than the budgeted amount.

   We would like to reallocate this $85,540 in savings to the overtime or straight time pay for the **ORTTF deployments, trainings, investigations, and other related activities** line item.

3. We have realized a savings of $15,494 in wages for the Hourly Management Analyst position in Salaries and Benefits due to a hiring delay.

We would like to allocate $15,494 of these savings to Salaries and Benefits for payroll taxes/benefits (employer contributions for Social Security, Medicare, and Workers Compensation) for the Hourly Management Analyst position, as these costs were not previously budgeted.

4. We have realized a savings of $18,201 in the automatic license plate reader (ALPR) trailer within the Equipment/Fixed Assets budget, as the actual cost was below the budgeted amount.

   We would like to reallocate these $18,201 savings to the overtime or straight time pay for the **ORTTF deployments, trainings, investigations, and other related activities** line item.

   In addition, we would like to allocate funds within the existing $10,000 budget for ALPR trailer outfitting to include maintenance expenses.

5. We have realized a savings of $22,750 in the ALPR within the Equipment/Fixed Assets budget as the actual cost was below the budgeted amount. We would like to allocate the savings as follows:
   a. $9,633 to the overtime or straight time pay for the **ORTTF deployments, trainings, investigations, and other related activities** line item
   b. $257 to payroll taxes and benefits for the Hourly Management Analyst position
   c. $2,000 to mailing campaign for Daly City PD (DCPD)
   d. $2,699 to the overtime or straight time pay for San Bruno PD (SBPD) within the Professional Services category for additional staff support provided to DCPD by SBPD during ORTTF deployment in Q3
   e. $4,161 to the overtime or straight time pay for the CSO
   f. $4,000 to Equipment/Fixed Assets for replacement and services for ALPR as needed

6. We have realized a savings of $57,793 in the electric vehicles for CSO within the Equipment/Fixed Assets budget as the actual cost for the vehicles was lower than the budgeted amount.

   We would like to allocate the savings as follows:

   a. $30,686 to the overtime or straight time pay for the **ORTTF deployments, trainings, investigations, and other related activities** line item under Salaries and Benefits
   b. $10,559 to Services and Supplies for electricity usage at EV charging stations for the CSO vehicles
   c. $500 to Services and Supplies for merchandise to be placed in the bait car
   d. $15,000 to Services and Supplies to purchase darts to be used with the StarChase systems for training purposes
   e. $728 to Equipment/Fixed Assets to cover the purchase price of the laptop computers for CSO vehicles exceeding the budget
   f. $320 to Equipment/Fixed Assets to cover the purchase price of the radios for CSO vehicles exceeding the budget

7. We have realized a savings of $4,500 earmarked for in-person training in Sacramento at the beginning of the grant cycle as the training was switched to a virtual formal.

   We would like to reallocate the savings to Equipment/Fixed Assets to replace StarChase systems if damaged and or training darts as needed.

SAN MATEO

Line-Item Change

1. We are requesting to make a Line-Item Detail Change within the Overtime Line – San Mateo Line Item under Professional Services.

   Overtime - We are requesting to replace 1) Overtime with *Overtime or Straight Time* and 2) current headcounts/ranks listed on the narrative with Lieutenant(s), Sergeant(s), Officer(s), and Dispatcher(s) based on available personnel and the needs of the **ORTTF deployments, trainings, investigations, and other related activities.**

   We would also like to request a line-item change for hourly rates and benefits per position for San Mateo to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

   For FY24 through FY27:

   Officer OT or Straight Time: up to $136/hour + actual benefits
   Sergeant OT or Straight Time: up to $174/hour + actual benefits
   Lieutenant OT or Straight Time: up to $162/hour + actual benefits

   For FY25 through FY27:

   Dispatcher: up to $100/hour + actual benefits

2. We are requesting to make a Line-Item Detail Change within the 1.0 FTE CSO – San Mateo Line Item under Professional Services.

   1.0 FTE CSO – San Mateo – We are requesting to replace the description listed on the narrative with **1.0 FTE CSO (Overtime and Straight Time) for three years** to include the overtime pay for the Community Service Officer (CSO).

   For FY24 through FY27:

   CSO: $500,726

Budget Mod

1. We have realized a savings of $1,500 earmarked for in-person training in Sacramento at the beginning of the grant cycle as the training was switched to a virtual formal.

   We would like to reallocate the savings to Equipment/Fixed Assets to StarChase GPS launching devices.

SAN BRUNO

Line-Item Change

1. We are requesting to make a Line-Item Detail Change within the Overtime Line – San Bruno Line Item under Professional Services.

   Overtime - We are requesting to replace 1) Overtime with *Overtime or Straight Time* and 2) current headcounts/ranks listed on the narrative with Lieutenant(s), Sergeant(s), Officer(s), and Dispatcher(s) based on available personnel and the needs of the **ORTTF deployments, trainings, investigations, and other related activities.**

   We would also like to request a line-item change for hourly rates and the benefits per position for San Bruno to reflect rates of pay, in addition to account for annual rate increases, salary increases, merit increases, PERS increases, increases related to memorandums of agreement, etc.

   For FY24 through FY27:

   Officer OT or Straight Time: up to $128/hour + actual benefits
   Sergeant OT or Straight Time: up to $157/hour + actual benefits
   Lieutenant OT or Straight Time: up to $191/hour + actual benefits

   For FY25 through FY27:

   Dispatcher OT or Straight Time: up to $82/hour + actual benefits

Budget Mod

1. We would like to reallocate $2,699 from DCPD's Equipment/Fixed Asset budget toward overtime or straight time pay for Lieutenant(s), Sergeant(s), Officer(s), and Dispatcher(s) based on available personnel and the needs of the ORTTF deployments, trainings, investigations, and other related activities. as a result of additional staff support provided by SBPD to DCPD during Q3 ORTTF.

2. We have realized a savings of $1,500 earmarked for in-person training in Sacramento at the beginning of the grant cycle as the training was switched to a virtual formal.

   We would like to reallocate the savings to overtime or straight time pay for Lieutenant(s), Sergeant(s), Officer(s), and Dispatcher(s) based on available personnel and the needs of the ORTTF deployments, trainings, investigations, and other related activities.
