Subject: RE: Daly City Police Department - Invoice #7 - BSCC 1150-23

Greetings Judy,

Thank you, we have reviewed the completed Invoice 7 for Daly City 1150-23. Everything looks good, we just need one correction for San Mateo. Please see below:

Equipment/Fixed Assets:
I do not see a community messaging line-item budget under Equipment/Fixed Assets for San Mateo for the highlighted expenditures below. Perhaps these expenditures belong in the Other category for Amazon Web Services or a line-item in another category?

Equipment / Fixed Assets	$113,892	#1 Daly City - 3SI (tracking service): $720.00 #2 Daly City - Flock (ALPR): $73,500.00 #3 Daly City - Flock (cable connector replacement): $49.44 #4 Daly City - GraphTech (Community Service Officer vehicle decals): $8,343.06 #5 Daly City - LEHR (Community Service Officer vehicle outfitting): $19,634.56 #6 Daly City - StarChase (repair): $712.04 #7 Daly City - Broadway Auto (bait vehicle): $4,944.38 #8 San Mateo - Amazon (community messaging - wireless microphones): $326.24 #9 San Mateo - Amazon (community messaging - digital camera): $1,508.95 #10 San Mateo - Prompter People (community messaging - teleprompter): $2,077.40 #11 San Mateo - Prompter People (community messaging - teleprompter): $2,077.40 Total: $113,893.47

Or perhaps these expenditures belong to a different line-item budget in the Equipment/Fixed Assets category. According to Budget Mod 4, these are the available line-item budgets for San Mateo in the Equipment/Fixed Assets category:

Updated Equipment / Fixed Assets after Budget Mod 4-
San Mateo: Total $424,250 ($389,250 + $35,000)
- ALPR: $144,750
- EV: $50,000
- EV outfitting: $27,000
- StarChase: $32,500
- Surveillance pole camera trailer: $110,000
- Substation remodeling/retrofitting: $10,000
- Tire deflation devices: $15,000
- Verkada street cameras and cellular gateways: $35,000

When the highlighted line-items above have been updated, please send an email to the ORT Inbox stating Invoice 7 is ready for review again. This way, the invoice is certified and put back into the queue for review and approval. Thank you for your patience and let me know if you have any questions.

Have a wonderful weekend!
