Subject: California Public Records Request :: W013429-091426

RE: PUBLIC RECORDS REQUEST of September 14, 2026, **Reference # W013429-091426**

Dear Brian C,

The City received the following records request from you on September 14, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920.000 et seq.), I request the following records from the San Mateo Police Department. This request seeks existing records only (Gov. Code § 7922.530; Sierra Club v. Superior Court (2013) 57 Cal.4th 157).

Records requested, for each of the following 20 CAD incident numbers: 202503080188 (3/8/2025); 202504010009 (4/1/2025); 202505010214 (5/1/2025); 202506040026 (6/4/2025); 202507020079 (7/2/2025); 202508040201 (8/4/2025); 202509030186 (9/3/2025); 202510130008 (10/13/2025); 202511080104 (11/8/2025); 202512030010 (12/3/2025); 202601210299 (1/21/2026); 202601230245 (1/23/2026); 202602030285 (2/3/2026); 202602060044 (2/6/2026); 202602120181 (2/12/2026); 202602170003 (2/17/2026); 202602180088 (2/18/2026); 202602190280 (2/19/2026); 202602280005 (2/28/2026); 202603270288 (3/27/2026).

(1) The incident report, case report, or other record documenting the substance of the call, including any RMS case or report number assigned.

(2) The CAD event chronology, unit history, or dispatch log for the call — i.e., the time-stamped record of unit assignment, status changes, and dispatcher/radio-traffic notations — as distinct from the narrative report requested in Item 1.

(3) If any record responsive to Item 1 or Item 2 is withheld in whole or in part, an index entry identifying the record (by CAD incident number, date, and record type) and the specific exemption asserted, including, where § 7923.600 is asserted, whether the investigation to which the record relates is active or closed.

If no records are located for any individual item, please respond to that item separately and continue processing the remaining items.

Anticipated exemption issues:

Gov. Code § 7923.600 — a blanket assertion that § 7923.600 exempts all 20 records is inconsistent with the statute's requirement that the exemption be applied on an individualized basis, not categorically; Item 3 of this request asks the Department to state, for each incident, whether the exemption is asserted and whether the underlying matter is active or closed.

Item 2 is not equivalent to Item 1 — a CAD chronology or dispatch log, the automatically time-stamped record of which unit was assigned, when a query was run, and when a supervisor acknowledged over the radio, is an

operational dispatch record, not investigative narrative content; even where the Department declines to produce a narrative report under § 7923.600, that basis does not extend automatically to the CAD chronology of the same call.

Segregability (Gov. Code § 7922.525(b)) — any reasonably segregable, non-exempt portion of a withheld record must be produced.

Brian
