RE: PUBLIC RECORDS REQUEST of March 20, 2026, **Reference # W012373-032026**

Dear Brian C,

The City received the following records request from you on March 20, 2026.

Pursuant to the California Public Records Act (Gov. Code § 7920 et seq.), I request the following:

1) Any contract, agreement, memorandum of understanding, or other written authorization between the City of San Mateo and Flock Group Inc. (or Flock Safety) that was in effect between November 2022 and August 25, 2023 — the period between the first Flock invoice billing date (INV-10888, November 12, 2022) and the execution of the Master Services Agreement. The August 2023 MSA and purchase orders have already been produced via prior PRAs and are not responsive to this request.

2) Any written authorization, email approval, or other documentation authorizing the deployment and operation of Flock cameras during that period.

If no such records exist, please confirm that no written agreement was in place during this period.

There may be responsive emails associated with this request (item 2). This will take an extensive amount of time to search and will be provided on a rolling basis. As you are aware, we are releasing records on a rolling basis to show a good faith and diligent effort to complete your request. At this time, there are no responsive records to your request. If any responsive records are located, we will further respond to your request with updates no later than 6/3/26/26.

If you have any questions, please contact me using the below contact information.
