Success Story - License Plate Reader (LPR) Technology Assists in Stolen Vehicle Investigation:

On September 1, 2026, a victim reported the suspect of an order of protection violated the order by being present at the victim's house on multiple occasions. On September 2, 2026, an arrest warrant was obtained for the suspect charging him with stalking and contempt of court. Within a few hours of the warrant being obtained, the suspect was located using Flock LPR technology and arrested without incident.

On August 27, 2026, a victim reported her vehicle stolen from a local business parking lot. The following day, Johnson City PD officers used LPR technology to locate the stolen vehicle. Officers conducted a traffic stop and recovered the vehicle. The stolen vehicle was being driven by an individual who was also found to be in possession of methamphetamine. The suspect was arrested for auto theft, driving on a revoked license, and possession of methamphetamine.
