Understood. All existing cityofsanmateo.org accounts have been disabled, and changes have been made to prevent future access. Your offices can still log into <https://sso.ncric.ca.gov/> for other applications, such as LEEP/NDEx, but the Flock app will not be there in the list.

Hi Brian,

Thank you for the offer, but I am not interested in the other option. Can you just confirm if you were able to deactivate our access?

Thanks,

Steve Casazza

Yes it is, I can have that done by Friday. The only way to log in would be directly through Flock's website with accounts and passwords that are managed by SMPD.

The other option, I'm working with Flock on a way where anyone logging in via NCRIC is assigned to their true parent agency. So if we vouched for a SMPD officer, they would still show up under your agency, your audit log, your camera networks. We're just a second means of getting in. Curious if this would be of interest or not? We'll offer the same to every agency, you're just the first one to reach out on the topic.

Hi Brian,

Is there a way to have the ALPR feature on our NCRIC account deactivated? I checked with several members of our department who are no longer using it. I am curious if this is an option?

Lieutenant Steve Casazza
