RE: Public Records Act Request #W013525-092726

Dear Brian:

In accordance with Government Code § 7922.525, a legal review of your request has been completed. Any redactions or exemptions cited in the Department's response have been reviewed and authorized by the signatory of this letter.

This letter responds to your California Public Records Act ("CPRA") request dated September 27, 2026, submitted under Reference#W013525-092726, in which you requested the following records:

Under the California Public Records Act, I request the records described below. As you are aware, the Department's revised Policy 463 (Automated License Plate Readers), bearing Lexipol date 2026/09/11, is now posted on the City's website, and its section 463.8 includes Approval Criteria, Denial Criteria, Periodic Review, Suspension or Termination, and Documentation provisions for in-state ALPR network-sharing relationships. As you are also aware, under request W013261-081826 the Department produced six executed ALPR Data Sharing Agreements (Belmont, Brisbane, California Highway Patrol, Foster City, Palo Alto, and South San Francisco).

"Current relationship" below means each in-state ALPR network-sharing relationship in effect on the date of this request. Please respond to each item separately.

1. For each current relationship, the record of the Department's approval, including the record of the basis for the decision, as maintained under the Documentation provision of Policy 463.8.

Department Response:

The agreements were provided under W013261-081826 and are considered responsive to this request. Additional responsive records for items 1-3 are located in the attachments portion of this request.

2. For each current relationship, the record of the determinations made under the Approval Criteria provision of Policy 463.8, items (a) through (e).

Department Response:

The agreements were provided under W013261-081826 and are considered responsive to this request. Additional responsive records for items 1-3 are located in the attachments portion of this request.

3. For each current relationship, the agency's written request described in Policy 463.8(a) and the approved request retained on file under Policy 463.8(c).

Department Response:

The agreements were provided under W013261-081826 and are considered responsive to this request. Additional responsive records for items 1-3 are located in the attachments portion of this request.

4. The written criteria for evaluating requests for in-state ALPR network-sharing access that the ALPR Program Administrator is to establish and maintain under the Approval Criteria provision of Policy 463.8.

Department Response:

No responsive records outside of the policy.

5. Any record designating the person or position serving as the ALPR Program Administrator referenced in Policy 463.8.

Department Response:

No responsive records.

6. Any record of a denial, periodic review, suspension, or termination of an in-state ALPR network-sharing relationship made on or after September 11, 2026, as maintained under the Documentation provision of Policy 463.8.

Department Response:

No responsive records.

7. Records reflecting the approval and effective date of the Policy 463 revision bearing Lexipol date 2026/09/11, for example an approval by the Chief of Police, a Lexipol publication or acknowledgment record, or a department-wide transmittal.

Department Response:

A responsive record has been added under the attachment section of this request.
