

Blue Island IL PD Transparency Portal

Last updated: Wed Jul 08 2026

OVERVIEW

Blue Island IL PD uses Flock Safety technology to capture objective evidence without compromising on individual privacy. Blue Island IL PD utilizes retroactive search to solve crimes after they've occurred. Additionally, Blue Island IL PD utilizes real time alerting of hotlist vehicles to capture wanted criminals. In an effort to ensure proper usage and guardrails are in place, they have made the below policies and usage statistics available to the public.
