Dear Brian:

In accordance with Government Code § 7922.525, a legal review of your request has been completed. Any redactions or exemptions cited in the Department's response have been reviewed and authorized by the signatory of this letter.

This letter responds to your California Public Records Act ("CPRA") request dated September 29, 2026, submitted under Reference #W013534-092926, in which you requested the following records:

1. The Flock Audit PDF report record for this search, including every field of that record, among them the reason text as entered by the user.

Department Response:

A responsive record is available in the GovQA portal. Portions of your request are being withheld pursuant to Government Code section 7923.600, as they constitute law-enforcement investigative records.

2. The organization-audit spreadsheet/CSV export record for this search, in its native electronic format (.csv or .xlsx) (Gov. Code § 7922.570), including every field of that record, among them the reason text as entered by the user, the Case # field, the Time Frame, and the Filters.

Department Response:

No responsive records.

3. Any CAD incident, RMS entry, incident report, or case report that the Department associates with this search, or that bears a case, incident, or file number entered for this search.

Department Response:

No responsive records.

4. Any record reflecting a request for this search from any person or agency, or an approval of it, including any email, text message, chat or messaging-app message, dispatch or assist record, supervisor approval, or task-force record held by the City.

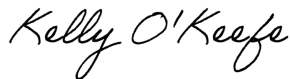

Department Response:

No responsive records.

5. Any record reflecting the provision of this search's results (including plate reads, images, locations, or reports) to any person or entity outside the Department, including any email, text message, or chat or messaging-app message, and any Flock share, export, or download of the results (including the corresponding Flock event-log entries). This includes messages sent or received by the user recorded for this search in the Flock audit record, on City accounts or devices and on any personal account or device used to conduct City business (City of San Jose v. Superior Court (2017) 2 Cal.5th 608).

Department Response:

No responsive records.
