Hi Earl,

Thanks for reviewing the revised reports. Regarding the letter from Walgreens - the retailer is involved in ORT prevention project activities, and there have been coordinated efforts on loss prevention during our task force deployments.

Please let me know if you need anything else.

Best regards,
Winnie

Good morning Winnie,

Thank you for providing additional revisions to the Baseline Report and Q1 report.

Upon review of Daly City PD's grant proposal package, the letter from Walgreens should be excluded as it seems to provide moral support for the ORT grant rather than outlining activities to be done in conjunction with Daly City PD, San Bruno PD, and San Mateo PD, such as data sharing, Loss Prevention coordination, Environmental Design policing, etc.

But if Walgreens is in fact involved in ORT Prevention project activities, then they can still be reported as a partner in the Baseline Report. Once verified we can make any corrections at your convenience.

Kind regards,

Earl Morales

Hi Earl,

Hope this finds you well. Upon further review of our data, we discovered an error in the number of agreements or partnerships (other law enforcement agency) reported in the Q1 report submitted last week. The MOU between Daly City PD, San Bruno PD, and San Mateo PD was signed in Q2, not Q1, and there were no new formal agreements in Q1.

Please find attached the revised Q1 QPR. The Baseline report – updated with note regarding letters of agreement/local impact from retailers/businesses (as mentioned in previous email) – is also attached for reference.

My sincere apologies for the inconvenience this may have caused. Please let me know if you have any questions or need additional information.

Best regards,
Winnie

Hi Earl,

Thank you for reviewing the reports. Please see below:

Baseline

- Agreements or Partnerships
  - Other law enforcement agency: letters from San Mateo PD and San Bruno PD agreeing to partner with Daly City PD on the ORT grant program
  - Retailer/business: letters of agreement/local impact from one retailer (Walgreens) and two shopping malls (Serramonte Center and Hillsdale Shopping Center)

Q1 QPR

- Agreements or Partnerships
  - Other law enforcement agency: executed MOU between Daly City PD, San Bruno PD, and San Mateo PD.
- Equipment/Technology
  - Automated license plate readers: the 57 ALPRs previously reported by San Mateo PD were already in use prior to the grant cycle; they are excluded from the revised Q1 report.

Please let us know if you would like us to resubmit the baseline and Q1 reports with these updates.

Thanks,
Winnie
