Dear BSCC,

We are requesting to purchase equipment (various lights, mobile data terminal laptop mount, mobile radio antenna, trunk partition, plus installation and shipping charges) from LEHR to outfit the three Ford Mach-E purchased as Community Services Officers' (CSO) vehicles, which will directly assist with our effort to combat organized retail theft, motor vehicle theft, and motor vehicle accessory theft. We certify:

1. The various equipment for outfitting the Ford Mach-E CSO vehicles will be used for services directly associated with the BSCC Organized Retail Theft Grant Project.
2. The vehicle outfitting equipment for the CSO vehicles is essential to the success of our BSCC Organized Retail Theft Prevention Grant Project.
3. The vehicle outfitting equipment is being purchased, as leasing these items is not an option.

Best Regards,

H. Rolfes #101
