Re: Authorization to Purchase Axon Dash LPR System/Axon Taser 10's and Consolidate Axon Contract

---

I am requesting that WXPD be given authorization to purchase Axon Dash LPR System, Axon Taser 10's and consolidate our contract with Axon. These were previously discussed in the last council meeting. This will be a ten-year contract (120 months) with replacement tasers, body cameras and dash cameras at no additional cost to the city.

The Woods Cross Police Department is currently using the Axon Dash Camera System, and it is requested we purchase the LPR system to go along with the dash cameras. The LPR system is already integrated in the dash cameras, once the software is turned on our officers will automatically receive returns from the state system. This will notify officers of stolen vehicles, expired vehicles, vehicles with no insurance etc.

The current taser the Woods Cross Police Department is using is the Axon Taser 7, we have entered the last year of our contract with Axon and the Taser's will no longer be warrantied next year. Axon has released the Taser 10, which is the replacement for the Taser 7. Along with purchasing the Taser 10's we are receiving a virtual reality headset that will be used to train the officers on the new weapon system.

This new contract will bundle all of services we currently use through Axon (body cameras, dash cameras, tasers, evidence.com) and include the new license plate readers. This will save the city approximately 38,157.00 dollars a year and 381,573.88 over the ten-year contract.

The current quote is for 923,394.55, the first payment will be due August 2026, and the last payment will be due August 2035. The payments will be 92,338.97 for each of those years until the last payment in 2035. I have attached the quote and contract to answer any questions.

The current quote has expired, and I am waiting for an updated quote from Axon. I was verbally told over the phone that the amount went up by about $2,000 dollars.

RESOLUTION 2026- 1008

A RESOLUTION APPROVING THE PURCHASING OF AXON LICENSE PLATE READERS, TASER 10'S AND CONTRACT CONSOLIDATION

WHEREAS, the police department is proposing the purchase from Axon Enterprise Inc. for the license plate readers, Taser 10's and contract consolidation; and

Estimated Amounts and Contract Terminations. Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

Refresh Shipment Timing
Technology Assurance Plan (TAP) Refresh Prior to Renewal. For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

Shipment Timing
Shipment Variance. Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.

Standard Terms and Conditions

Axon Enterprise Inc. Sales Terms and Conditions

Axon Master Services and Purchasing Agreement:

This Quote is limited to and conditional upon your acceptance of the provisions set forth herein and Axon's Master Services and Purchasing Agreement (posted at https://www.axon.com/sales-terms-and-conditions), as well as the attached Statement of Work (SOW) for Axon Fleet and/or Axon Interview Room purchase, if applicable. In the event you and Axon have entered into a prior agreement to govern all future purchases, that agreement shall govern to the extent it includes the products and services being purchased and does not conflict with the Axon Customer Experience Improvement Program Appendix as described below.

ACEIP:

The Axon Customer Experience Improvement Program Appendix, which includes the sharing of de-identified segments of Agency Content with Axon to develop new products and improve your product experience (posted at www.axon.com/legal/sales-terms-and-conditions), is incorporated herein by reference. By signing below, you agree to the terms of the Axon Customer Experience Improvement Program.

Acceptance of Terms:

Any purchase order issued in response to this Quote is subject solely to the above referenced terms and conditions. By signing below, you represent that you are lawfully able to enter into contracts. If you are signing on behalf of an entity (including but not limited to the company, municipality, or government agency for whom you work), you represent to Axon that you have legal authority to bind that entity. If you do not have this authority, please do not sign this Quote.

Exceptions to Standard Terms and Conditions

Agency has existing contract(s) originated via Quote(s):
Q-386755, Q-578173, Q-618156, Q-754227, Q-765257,

Agency is terminating those contracts effective 9/1/2026. Any changes in this date will result in modification of the program value which may result in additional fees or credits due to or from Axon.

The parties agree that Axon is applying a Transfer Balance of $56,471.77

100% discounted body-worn camera and docking station hardware contained in this quote reflects a TAP replacement for hardware purchased under existing quotes aforementioned above. All TAP obligations from this contract will be considered fulfilled upon execution of this quote.

Rewrite Estimates

Estimated Amounts and Contract Terminations. Any amounts stated as due under existing or terminated contracts — including contract transfer balances carried forward to new or pending contracts — are estimates based on payments received as of the calculation date. These estimates may be adjusted if new contracts are not executed on the anticipated dates or if expected payments are not made.

Refresh Shipment Timing

Technology Assurance Plan (TAP) Refresh Prior to Renewal. For Customers with expiring agreements that include TAP refresh rights, Axon may, in its discretion, ship refresh hardware under the existing contract while renewal or replacement agreements are in progress. Any such shipments will be deemed made under the terms of the existing contract until the new contract is fully executed, after which any applicable updates, fees, or adjustments will apply.

Shipment Timing

Shipment Variance. Estimated shipment dates are provided for planning purposes only and are not guarantees. Axon may ship hardware before or after the estimated shipment date, and failure to meet an estimated shipment date will not, by itself, constitute a breach, provided Axon uses commercially reasonable efforts to meet estimated shipment dates.
